THE ALGONQUIN HOTEL • NEW YORK CITY

SMYTHE
ESTABLISHED 1880

We buy, sell, and auction the very best in Antique Stocks and Bonds, Autographs, Banknotes, Coins, Historic Americana, and Vintage Photography

TERMS OF SALE

1. A 10% buyers charge will be added to the hammer price of each lot purchased.

2. All bids are per lot as numbered in this catalogue.

3. Bids less than 60% of the estimate **will not be accepted.**

4. We reserve the right to withdraw any lot prior to sale.

5. All successful bidders shall be billed for postage, handling and insurance.

6. We cannot be responsible for the loss of any merchandise shipped outside the United States.

7. All framed items are shipped at the purchaser's risk.

8. SMYTHE reserves the right to **reject any bids not made in good faith and further reserves the right to ban any bidder from participation in its sales for any reason deemed appropriate at our sole discretion.**

9. A SMYTHE auction bidder expressly waives any claim or right to any accounting, damages or compensation arising out of SMYTHE'S failure to receive or execute any bid due to exclusion from our sales, clerical errors or other causes. No bids will be accepted from any person who has not signed a registration form or a bidder sheet.

10. United States coins and currency will not, in conformity with law, be opened at less than face value.

11. No "buy" or "unlimited" bids will be accepted. We will act as agents for all mail bidders in the sale. Mail bids below the low estimate will not be reduced. Mail bids will be opened at the next interval over the second highest bid except where the intrinsic or regular market worth of the item dictates an opening at its fair market value. Floor bidding intervals will have an average increment of about 5% at the discretion of the auctioneer. "Cut" bids (bids at less than the regular bidding intervals) will be accepted, but they must be no less than half of the regular interval over the previous bid. Each bidder may make only one "cut" bid per lot, and if they are out bid, they may make no further bids on that lot.

12. In the case of a tie between a mail bidder on the book and a bidder on the floor, the mail bidder shall take precedence.

13. All bids must be in whole dollar amounts. Percentage increases will be rounded up to the nearest dollar.

14. Check your bid sheets carefully. We can not assume any responsibility for errors made in the amount bid or lot numbers listed. Make sure your sheet is signed.

15. No minors may participate in our sales. **Agents bidding on behalf of others will be held liable if their principals fail to make payment.**

16. Payment for purchases is to be made by cash, check, money order or bank wire upon receipt of invoice. No lots may be taken away unless paid for in full. A late charge of 1-1/2% per month will be charged on the invoice total if payment is not received **within 10 days** of mailing the invoice. Bidders not known to us are required to deposit 25% of their total bids in advance. **Credit cards will not be accepted for auction purchases.**

17. Title does not pass until payment in full is received. SMYTHE reserves the right to await clearance of any check before making delivery.

18. If a collection agency or attorney is required to collect outstanding accounts, all agency and court costs, witness and attorney fees and all other costs of any kind incurred by SMYTHE in procuring judgement shall be borne by the defendant. The signer of a SMYTHE bid sheet or participant in the auction concedes the jurisdiction of the courts of the U.S. in New York City or the New York State courts as SMYTHE alone shall elect. The participant in a SMYTHE auction also assumes both corporate and personal liability for unpaid auction bills.

19. SMYTHE may reopen the bidding on a lot under the following circumstances: 1) SMYTHE has failed to execute correctly a mail bid. 2) A party purchasing the lot on the floor has done so in error. 3) Where a protest is made after the hammer has fallen but before bidding has commenced on the next lot. 4) Where the auctioneer has determined that he has overlooked a party still bidding on the lot but before the calling of the next lot. 5) At the discretion of the auctioneer.

20. In the event of dispute, the auctioneer's decision is final.

21. New York State & Pennsylvania State sales taxes or other state sales or use taxes shall be levied, as required by law. Dealers and other non residents are reminded that sales tax must be collected unless Form ST-128.1 has been filed properly, under regulations effective 1 December 1982.

22. No price adjustments will be made on the hammer price of a lot whether there is a complaint about the whole lot or only one item in it. The entire lot must be returned if a refund is to be made.

23. In the event of unsuccessful litigation the plaintiff shall pay SMYTHE'S legal costs, counsel and witness fees and all other costs incurred by it in defense against such suit together with interest on any funds expended at the New York prime rate from the date of actual disbursement.

24. The same protections applicable to SMYTHE apply to each and every one of their officers and employees unless they shall be convicted of knowingly selling false or stolen goods.

25. SMYTHE assumes no liability for merchandise lost, stolen or damaged while in the possession of a party to whom merchandise has been shipped. The purchaser is solely responsible for the safe keeping and insurance of any items in their possession.

26. All accounts are payable to SMYTHE in U.S. funds and remittances must cover the service charges for foreign drafts which shall be added to each invoice.

27. All material in this catalogue is unconditionally guaranteed to be genuine. We will not knowingly sell any item that has been "repaired", "restored", "processed", "cleaned", "pressed", or "conserved" in any way without disclosing those facts to the potential buyer.

28. Agents who bid from the floor for clients should examine the lots carefully, and are reminded that no lots may be returned by floor bidders except for non-authenticity. Lots described as "repaired", "restored", "cleaned", "whizzed", "pressed", or "washed" may not be returned for any reason except non-authenticity.

29. Mail bidders may return lots for reasons of non-authenticity or improper description within 5 days of receipt or thirty days from the auction's last day, whichever comes first. Third-party graded notes (i.e. C.G.A.) are **sold as is, no returns.** Failure to execute this privilege in a timely manner either from a failure to pay promptly or from any other cause shall void it. Lots sold with the proviso 'sold as is; no returns' cannot be returned.

30. In cases where a question has arisen as to the authenticity of an item, the purchaser must, before settlement day (30 days after the sale,) notify SMYTHE of his intention to return the item, confirmed in writing. The item will be examined by a recognized expert; if the item proves authentic, the sale will be consummated. If the item is not authentic, the sale price will be refunded.

31. The auctioneer reserves the right to postpone the sale by auction for a reasonable period of time as a result of any significant event which, in the sole discretion of the auctioneer, makes it advisable to postpone the event. No prospective bidder or prospective buyer shall have recourse as a result of any postponement.

32. The placing of a bid shall constitute **full acceptance of the foregoing terms and conditions of sale; all bid sheets must be signed by the responsible party.**

33. A $100 charge will be applied for any check that fails to clear.

1002 **$1. Fr.16.** 1862. No.73483, Series 249. **Very Choice Uncirculated.** Like the last, very close to Gem, with beautiful bright color and originality. ***($1,750-2,250)***

1003 **$1. Fr.16.** 1862. No.57102, Series 219. **VF-EF.** Tight at the top right, but crisp, with just a few folds. ***($450-550)***

1004 **$1. Fr.16.** 1862. No.40481, Series 268. **F-VF.** Clean and problem-free, with a broad top margin showing the printer's registration mark. ***($300-400)***

1005 **$1. Fr.16a.** 1862. No.2883, Series 213. A solid **VF** that looks a grade better. A scarce variety, outnumbered by more than 20 to 1 by Fr.16. ***($500-600)***

1006 **$1. Fr.17a.** 1862. No.83573, Series 8. **Fine+,** with one short, nicely repaired edge split. ***($200-250)***

1007 **$1. Fr.17a.** 1862. No.63413, Series 50. **VG.** Close at the bottom left, with some toning and discoloration, but solid for the grade. ***($100-125)***

1008 **$1. Fr.18.** 1869. No.B6183056. **Fine-.** Washed, with a few small brown spots in the lower corners, but excellent margins and surprisingly good color overall. ***($150-250)***

1010 **$1. Fr.20.** 1875. No.H5243009. **Uncirculated.** Tight at the top, but bright paper an bold color. The back edges have a few traces of mounting removal. ***($400-500)***

The Full Set of 1875 Series "A" through Series "E" Notes

The $1 notes of the 1875 Series with the "A" through "E" designations have always been very hard to find in any condition. Only 1,000,000 of each were issued, less than one tenth that of either of the other two 1875 varieties. As short as this set is, very few collectors have been able to complete it.

1013 **$1. Fr.23.** 1875. No.D292672. **Series "C". F-VF,** but looks a grade better. The black printing is bold, the red overprint just a bit on the light side. The most "available" of the group, due to a small run of Uncirculated notes that have been emerging in the past few years. ***($700-900)***

1011 **$1. Fr.21.** 1875. No.A983789. **Series "A". VG.** Well worn, but undamaged, with good margins. Gengerke lists 22 of these, with grades well scattered from Good to Uncirculated. ***($400-500)***

1014 **$1. Fr.24.** 1875. No.E824144. **Series "D". VG-F,** but washed, readily apparent in the folds. The rarest of the group, with only fourteen in the census, only three of them high grade. ***($300-400)***

1012 **$1. Fr.22.** 1875. No.B212039. **Series "B". Fine+.** Good margins, and rather clean for the grade. The second rarest of the group, with just nineteen known. ***($600-800)***

1015 **$1. Fr.25.** 1875. No.H155057. **Series "E". VF.** The best of the group, with good margins and color, and not a single problem. Twenty are known, but this is one of the hardest of the group to find in high grade. ***($1,000-1,500)***

1016 $1. Fr.26. 1875. No.K1158973. **Choice Uncirculated.** A full blazing gem were it not for the slightly off kilter centering. ***($800-1,200)***

1017 $1. Fr.26. 1875. No.K7553604. **Choice AU.** As nice looking as any Choice Unc. note, but with a light diagonal fold and a tiny trace of glue on a back margin. ***($300-400)***

1018 $1. Fr.27. 1878. No.A2441971. **VF.** Tight at the bottom, but bright and crisp, and looks at least a full grade better. ***($150-200)***

1019 $1. Fr.27. 1878. No.A4797748. **VF.** Bright and clean, but the margins are tight in spots. ***($125-175)***

1020 $1. Fr.29. 1880. No.Z30755413. **VF+.** Clean, with good margins and embossing. ***($200-250)***

1021 $1. Fr.30. 1880. No.Z49744775. **Very Choice Uncirculated.** A superb original note, fully Gem except for the centering. Bright paper and bold color, with deep original embossing. ***($750-1,000)***

1022 $1. Fr.30. 1880. No.Z49548292. **Very Choice Uncirculated.** While the centering of this beautiful example doesn't quite make Gem, it is superb in all other respects. Bright bold color, with outstanding deep original embossing. ***($700-900)***

1023 $1. Fr.31. 1880. No.A2264458. **Fine,** with a couple of juncture holes at the folds, and some brown staining, obvious only at the top. Scarce nonetheless. ***($200-300)***

1024 $1. Fr.32. 1880. No.A2723506. A solid **Fine** or a bit better, with a couple of tiny pinholes, but good margins and a nice appearance. ***($250-350)***

1025 $1. Fr.33. 1880. No.A2798509. **VG,** but washed, with a rather clumsy repair at the left. ***($150-200)***

1026 $1. Fr.34. 1880. No.A4073308. **VF; $1. Fr.35.** 1880. No.A5523031. **Fine+.** Both have decent margins and no problems. [2] ***($200-300)***

1027 $1. Fr.36. 1917. Four pieces, **Fine to EF.** The Fine has a tight margin and the seal has bled, but the others are clean, pleasing notes, with good margins. [4] ***($175-225)***

1028 $1. Fr.36. 1917. **Interesting No.A8688887A. EF,** or close to it; **Fr.37.** 1917. No.E21017367A. **VF; Fr.38.** 1917. No.M52180964A. **F-VF; Fr.39.** 1917. No.T54102912A. **VF+.** The last two have a tight margin. [4] ***($150-200)***

1029 **$1. Fr.37*.** 1917. **STAR** No.*5413538B. **EF.** A new addition to Murray's census, and a very pleasing note with the sole exception of the tight bottom margin. ***($150-250)***

1030 **$1. Fr.37a.** 1917. **Transposed signatures.** No.H13595337A. **Choice EF.** A very attractive example of this scarce variety that looks every bit as nice as the Choice to Gem Uncirculated examples from the run. ***($300-400)***

1031 **$1. Fr.37a.** 1917. **Transposed signatures.** No.H13593718A. **EF,** trimmed slightly into the design at the bottom right. ***($250-350)***

1032 **$1. Fr.38.** 1917. No.M59011222A. **VG,** washed; **$2. Fr.43.** 1874. No.B3241247. **Fair; $2. Fr.60.** 1917. No.D70440572A. **Fine,** with an edge nick. [3] ***($50-75)***

1033 **$1. Fr.39.** 1917. No.T11110917A. **Choice Uncirculated.** A gem if the bottom margin were a bit better. ***($175-225)***

1034 **$1. Fr.40.** 1923. **"Radar" No.A4224B. Gem Uncirculated.** A beautiful, fully original note, with nice sharp embossing and an attractive low Radar Serial Number. ***($500-750)***

1035 **$1. Fr.40.** 1923. No.A4483527B. **Very Choice Uncirculated,** fully gem if the bottom left margin were just a bit better. ***($400-600)***

1036 **$1. Fr.40.** 1923. **Low No.A101B. Choice EF.** Bright and crisp, but with some teller handling, pinches, and corner folds. Fresh and unmolested, with good embossing, and looks Uncirculated at first glance. ***($300-450)***

1037 **$1. Fr.40*.** 1923. **STAR** No.*35155D. **VF.** Clean and problem-free, with substantial body. With 144 now known, this is not a terribly rare Star, but more than half of them are high priced Uncirculated notes, mostly consecutive. This is a very pleasing example, and can be had for a lot less than the Uncirculated ones. ***($350-450)***

1038 **$2. Fr.41.** 1862. No.34271, Series 163. **VG-F.** Tight at the bottom and right, but a decent looking note nonetheless. ***($300-400)***

1039 **$2. Fr.42.** 1869. No.E569792. **Choice EF.** Very clean and bright, and looks Uncirculated on both sides. Slightly off center to the right, but not objectionably so. ***($1,250-1,750)***

1040 **$2. Fr.42.** 1869. No.U9404970. **EF.** A particularly nice example, with good color and excellent margins. The folds are nearly invisible on the face, and just barely noticeable on the back. A virtual twin to the last. ***($1,200-1,600)***

1041 **$2. Fr.42.** 1869. No.Z1013528. **Choice VF.** The face looks every bit as nice as the last two, and the back has just a few light foxing spots. ***($700-900)***

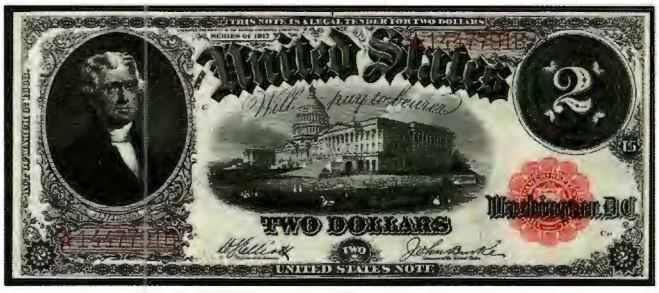
1042 **$2. Fr.42.** 1869. No.E1702175. **Fine+.** Nicely centered and attractive, with no worse problem than a few of pinpoint sized spots in the margins. ***($400-500)***

1043 **$2. Fr.42.** 1869. No.Z909451. **Fine** or so, with good color, but tight at the top right. ***($350-450)***

1044 **$2. Fr.42.** 1869. No.E4220914. **Good.** Well worn, with a couple of very short edge splits expertly repaired, but no major problems. ***($175-225)***

1045 **$2. Fr.48.** 1878. No.A3022661. **Choice Uncirculated.** Tight at the top, but a full gem in all other respects. ***($1,000-1,250)***

1046 **$2. Fr.57.** 1917. No.A48402902A. **EF,** a bit close at the bottom right; **$2. Fr.60.** 1917. No.D69996421A. **VF-EF,** with a small (8mm) circular brown spot on the back. [2] ***($125-150)***



1047 **$2. Fr.58*.** 1917. **STAR** No.*1447791B. **Very Choice Uncirculated.** A beautiful fresh example, gem but for the tight bottom margin. The census currently lists 32 of these, only six of which are Uncirculated. ***($600-900)***

1048 **$2. Fr.60.** 1917. No.D93016540A. **VG+,** tight across the top, with some soiling on the back; **$5. Fr.85.** 1907. No.B60161619. **Fine.** [2] ***($100-150)***

1049 **$2. Fr.60*.** 1917. **STAR** No.*3262932B. **VG,** with tight margins in places, and a bit more soiling than normal. With over 180 now in the census, this is the place to come if you want a generic $2 Star. ***($100-150)***

1050 **$5. Fr.61a.** 1862. No.38146-99. **AG,** with edge and internal splitting; **$5. Fr.88.** 1907. No.E72444897. **VG+,** with noticeable soiling on the back; **$5. Fr.91.** 1907. No.K14910725. **VG,** tight at the bottom. [3] ***($150-200)***

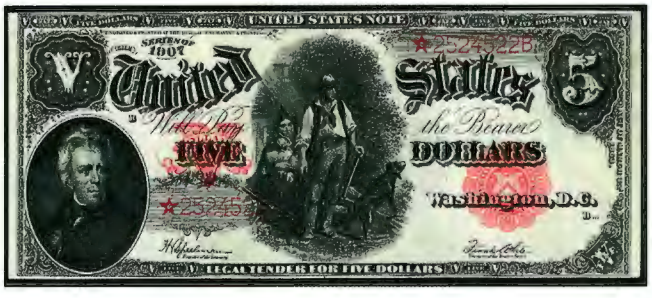
1051 **$5. Fr.63.** 1863. No.5288, New Series 24. **Good,** with small edge splits typical of the grade; **$5. Fr.63b.** 1863. No.16751, New Series 76. **VG.** More solid than the first, but also with minor edge weakness, and some counting soiling at the right. [2] ***($150-225)***

1052 **$5. Fr.64.** 1869. No.K3423344. **Gem Uncirculated.** Though some purists might quibble with the centering, the bright vibrant color and crackling freshness demand nothing less than the Gem grade. This is the way the "Technicolor" notes should look!
($2,250-2,750)

1053 **$5. Fr.73.** 1880. No.A1342468. **VF.** Though better in terms of overall wear, the few folds show rather heavily on the back. The face looks a grade better.
($200-300)

1054 **$5. Fr.91.** 1907. No.K4670413. **EF,** close at the bottom; **$5. Fr.874.** 1914. No.H29400232A. **VF.** Nice on the face; the back shows a bit of soiling about one fold. [2]
($175-225)

1055 **$5. Fr.91.** 1907. No.K95588848. **F-VF,** slightly close at the top. The popular "PCBLIC" misspelling on the back, found on very few plates.
($150-250)



1056 **$5. Fr.91*.** 1907. **STAR** No.*2524522B. **VF.** A very attractive example, looking at least a full grade better on the face. Tight at the top and bottom. The census has just topped a hundred on these, but the majority are in the Good to Fine range, and very few indeed look this nice.
($250-350)

1057 **$5. Fr.92.** 1907. No.M38102665. **VF.** Bright and clean on both sides. Far scarcer than the Speelman/White variety.
($125-175)

1058 **$10. Fr.111.** 1880. No.A18458022. **Very Choice Uncirculated,** ever so close to Gem. Bright and crisp, with excellent embossing, but the top margin could be just a tad better.
($1,500-2,250)

1059 **$10. Fr.111.** 1880. No.A20309798. **Fine,** with a small ink spot at the left end on the back. A relatively clean, problem-free note.
($275-350)

1060 **$10. Fr.120.** 1901. No.E14103417. **VG,** but lightly washed, with soiling still remaining, and some edge splits (one a half inch or so, the others trivial).
($250-325)

1061 **$10. Fr.122.** 1901. No.E40075662. Graded **Choice Uncirculated 64** by CGA. While we cannot grade a note in a sealed holder, it appears that the grade is reasonably accurate - the slightly close top margin precludes a Gem grade.
($2,500-3,000)

1062 **$10. Fr.122.** 1901. No.E58809200. **EF.** A particularly nice, problem-free note, with outstanding margins on both sides - seldom seen on this issue!
($1,000-1,500)

1063 **$10. Fr.122.** 1901. No.E48151001. **Fine.** Nice on the face, but with an area of light wallet discoloration on the back, and a half inch split at the bottom. ***($300-400)***

1064 **$10. Fr.122.** 1901. No.E42733105. **VG,** with slightly rounded corners, but no splits. ***($300-400)***

Superb 1880 $20 Legal

1065 **$20. Fr.136.** 1880. No.A2667918. **Gem Uncirculated.** From a run of Uncirculated notes disbursed decades ago. This has to be one of the nicest of the lot, with sharp edges and corners, and excellent centering. If you're looking for a beautiful type note for that top quality collection, look no further. ***($4,000-5,000)***

Silver Certificates

1066 **$1. Fr.215.** 1886. No.B8070612. **Gem Uncirculated.** A superb note in every respect - just as it left the press over a hundred years ago. From the "D" position at the bottom of the sheet, with an extra broad bottom margin. ***($2,000-2,500)***

1067 **$1. Fr.215.** 1886. No.B6434659. **F-VF,** nearly full VF. Clean for the grade, and quite pleasing. ***($225-300)***

1068 **$1. Fr.216.** 1886. No.B20220345. **Fine,** with a few pinholes, but no significant problems. ***($200-250)***

1069 **$1. Fr.216.** 1886. No.B19767688. **G-VG,** with good margins, but some minor splitting in the heavy center fold. ***($100-125)***

1070 **$1. Fr.217.** 1886. No.B28768214. **Fine+,** but washed, leaving thin white streaks along three vertical folds. ***($150-225)***

1071 **$1. Fr.218.** 1886. No.B41844955. **Fine,** but with a few small brown spots below the portrait and at the bottom of the seal. ***($150-225)***

1072 **$1. Fr.218.** 1886. No.B52351366. **Fine+,** but with a bit of brown ghost-like discoloration on the back. ***($150-225)***

1073 **$1. Fr.219.** 1886. No.B59204102. **Fine+.** An attractive ornate back note, with just honest wear and no defects. Quite clean, and looks a grade better. ***($225-300)***

1074 **$1. Fr.220.** 1886. No.B64962894. **VG,** with good margins, but heavy counting smudges at the right. Easily the scarcest of the 1886 $1 Silver Certificates, with just 65 in the Gengerke census in all grades. ***($150-225)***

1075 **$1. Fr.221.** 1886. No.B71736378. **Fine,** just a bit close at the top right. Another very scarce variety for this series. ***($200-250)***

1076 **$1. Fr.222.** 1891. No.E6126324. **VG-F,** with one small pinhole. Centered a bit high. ***($175-250)***

Outstanding Gem 1891 $1 Silver

1077 **$1. Fr.223.** 1891. No.E36010232. **Gem Uncirculated,** with excellent embossing. A superb note, and like the Fr.215 above, from the "D" plate position, with a broader than usual bottom margin. Not surprisingly, this one comes from the same astute consignor as the one above. ***($2,000-2,500)***

1078 **$1. Fr.223.** 1891. No.E44011216. **F-VF,** with a few light brown marks left of Morgan's signature, and a fair number of pinholes on the left half of the note. ***($175-225)***

1079 **$1. Fr.223.** 1891. No.E19730175. **VG-F.** A pleasing note for the grade, with no damage; **$1. Fr.238.** 1923. No.Z16607143D. **Choice Uncirculated,** Gem except a bit tight at the bottom left. [2] ***($225-300)***

1080 **$1. Fr.224.** 1896. No.21548905. **Very Choice Uncirculated,** fully original, with deep embossing. A full Gem if the centering were just a tiny bit better. ***($1,400-1,800)***

1081 **$1. Fr.224.** 1896. No.517406. **Choice Uncirculated.** Another beautifully original note, kept from Gem solely by the top margin. ***($1,200-1,600)***

1082 **$1. Fr.224.** 1896. No.25495478. A very attractive **AU,** with a ghost of a center fold and a faint pinch or two. From a 1998 sale as Choice CU, and it's easy to see why. ***($800-1,200)***

1083 **$1. Fr.224.** 1896. No.8612790. **Fine+.** Good margins, with no splits, but a couple of folds are a bit on the heavy side. ***($250-325)***

1084 **$1. Fr.225.** 1896. No.53371091. **VF-EF.** The face is clean and looks a grade better, the back is just slightly less attractive. ***($350-450)***

1091 **$1. Fr.231.** 1899. No.D1956067D. **EF.** Bright, clean and crisp, with good margins. Looks a grade better, and comes from a 1965 sale as AU. The Napier & Thompson notes have always been the cream of the crop in Large Size signature combinations, and this one will fit in nicely in a high grade set. ***($500-750)***

1092 **$1. Fr.231.** 1899. No.D6003208D. **Fine,** with good margins, but also a few central pinholes. Still a clean, better than average example of this scarce variety. ***($250-350)***

1102 **$1. Fr.239.** 1923. No.B46749986E. **Gem Uncirculated.** It wasn't all that long ago that these notes had only a small premium over the Speelman-White notes. Only recently have collectors noticed how tough top grade Woods-Tate notes are to find. ***($450-600)***

1103 **$2. Fr.243.** 1886. No.B14487275. **VG-F,** with a fair amount of writing at the lower left face and right end of the back regarding **Grover Cleveland** (though not in his handwriting), dated Dec. 28th, 1889. The second rarest variety of the series. ***($250-350)***

1120 **$5. Fr.282.** 1923. No.A3708853B. From our March 2001 sale as **"Gem Uncirculated,** or very close to it indeed. While not perfectly centered, the margins are ample all around." The note has since been encapsulated as "Gem Uncirculated 65" by CGA. ***($1,750-2,250)***

1121 **$5. Fr.282.** 1923. No.A3576943B. **VF+** in terms of wear (and looks even better), but has a 1" split at the bottom, and a few tiny brown spots at the top (nearly all in the margin). ***($400-600)***

1122 **$5. Fr.282.** 1923. No.A3005990B. **F-VF.** Decent margins, with no impairments, and a pleasing overall appearance. ***($350-450)***

1123 **$5. Fr.282.** 1923. No.A3790471B. **VG-F.** A few brown spots at the lower right corner, but solid for the grade. ***($300-375)***

1125 **$10. Fr.289.** 1880. No.B5668507. About **VF** in terms of wear, but really much nicer. Excellent margins, with bold color, bright paper, and far more "body" than most of this fragile early issue that we have seen. These early black-back Silvers are really very attractive when in this high a grade. ***($2,000-3,000)***

1126 **$10. Fr.295.** 1886. No.B12211279. About **Fine,** with a few pinholes, and a small brown stain at the top of Hendricks' "Tombstone." ***($500-600)***

Please note that a 10% buyer's premium will be added to each lot purchased.

1127 $10. Fr.301. 1891. No.E30185867. An interesting note to grade - its half dozen vertical folds, plus other small folds would put it at **VF-EF,** but that would be a vicious injustice, as it has the margins, color, paper and full look and feel of a Choice AU (and was auctioned as such just a few years ago). ***($800-1,200)***

1128 $10. Fr.303. 1908. No.B885793. A solid, pleasing **VF+** with broad margins and bright color. Other than a couple of tiny pinholes, this pleasing note is problem-free. ***($650-800)***

1129 $20. Fr.321. 1891. No.H1289854. **VF.** Evenly circulated, with just one one small pinhole in the portrait. ***($1,250-1,500)***

Treasury / Coin Notes

1130 $1. Fr.347. 1890. No.A310362. **EF.** Very bright and clean, with the initial appearance of an AU or better. The back shows a tiny (1mm) bald spot, rather insignificant as the overall look is so nice. ***($1,000-1,400)***

1131 $1. Fr.348. 1890. No.A4813893. **Fair,** with substantial edge and internal weakness and splitting, but very scarce; **$1. Fr.729.** 1918. No.G42513833A. A solid **VF** or a bit better, with excellent margins and no problems. [2] ***($100-125)***

1132 $1. Fr.349. 1890. No.A5300169. **EF.** Bright and crisp, with excellent margins and not a single imperfection. The kind of EF we'd love to buy for "EF money." ***($1,250-1,750)***

1138 $2. Fr.355. 1890. No.A4353594. **VF.** The left margin could be a bit better, but otherwise this is a clean, pleasing note that looks a grade better. Very scarce and underrated. ***($1,300-1,700)***

1139 $2. Fr.357. 1891. No.B11354827. **Gem Uncirculated,** with bright color and good embossing. ***($3,000-4,000)***

1143 $5. Fr.363. 1891. No.B11802404. **Fine.** Lightly washed, with little soiling remaining, mostly on the back. Good margins, and reasonably nice on the face. ***($200-300)***

1144 $10. Fr.368. 1890. No.A4498094. **VG+.** A bit toned, and very tight across the bottom, but defect-free. ***($400-500)***

1145 $10. Fr.371. 1891. No.B5597952. **Fine+.** Good margins, with no damage. A bit of dirt can be seen about some folds, predominantly on the back. Long recognized as the scarcest variety of this series. ***($600-900)***

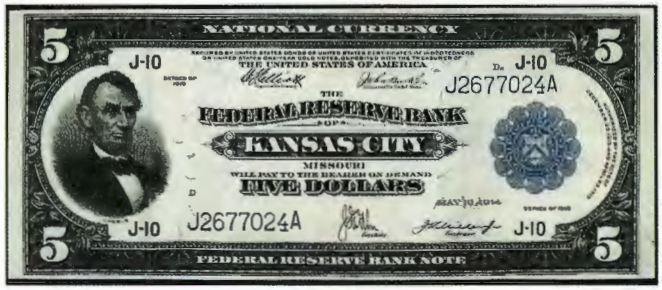
1150 **$5. Fr.794.** 1918. No.G814977A. **EF,** with a tiny bit of toning on the lower left corner tip. Clean and crisp, and looks Uncirculated on the face. ***($350-450)***



1151 **$5. Fr.804.** 1918. No.J2677024A. **VF-EF,** well centered. Pressed to hide the folds, and it does indeed have an "arm's length" look of Choice Uncirculated. While the Gengerke census lists 74 known, only three are Uncirculated, and just fourteen grade full EF or better. ***($450-600)***

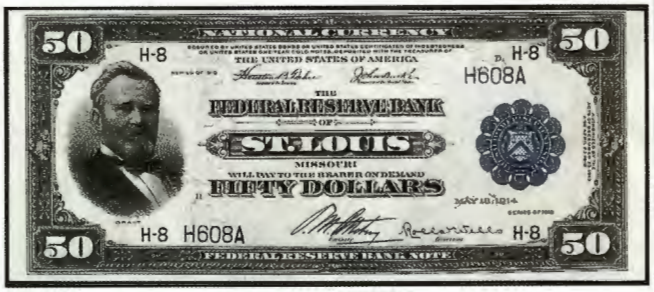
Rare $50 Federal Reserve Bank Note



1152 $50. Fr.831. 1918. No.H608A. **Choice AU.** An outstanding example, with just a faint horizontal fold. Bright and crisp, with sharp corners and edges. With so many of these rare notes processed to the point of being rather limp and soft, this is a pleasant exception. It retains substantial embossing, with bold colors and good surfaces to the paper. Far nicer than others of the type that have been catalogued as AU or even Uncirculated. We have never seen one that was truly both Uncirculated and unmolested, and this is unquestionably one of the finest we have encountered. **One of the classic rarities in type note collecting.** The Gengerke reference lists 52 confirmed survivors (more than the Treasury Department records report as outstanding), plus one known only from a photograph where the serial numbers were altered. That one may or may not be a duplicate listing. **It comes from the collections of Tom Bain, Jim Thompson and Andrew Shiva,** and has been graded anywhere from a low of Choice AU to an "optimistic" high of Choice Uncirculated - it certainly looks like the higher grade, and is one that you will be proud to add to your collection. ***($12,000-16,000)***

The vast majority of the known Fr.831's trace their history to veteran Texas collector and dealer William Philpott. Philpott used his rather considerable political clout to get many rare notes out of the Federal Reserve Bank of Dallas as they were redeemed, including a small hoard of these. Between lighting cigars, fellow Texas collector and dealer Thomas C. Bain purchased many of the notes Philpott had rescued. While Philpott had the connections, foresight, and means to save these rare notes, he lived in a time when the pressing of notes and the dipping of coins was a common, and generally not unacceptable, practice. Hence the Fr.831's he saved, he pressed. While some of them, like this one, were rather nice to start with, and little or nothing needed to be done to them, many others came out "soft" or "fuzzy" in appearance. At least they still exist!

Federal Reserve Notes

1154 $5. Fr.841b. 1914. No.J1113936A. Red Seal. **EF.** A particularly attractive, natural note that will fit nicely into the highest grade collection. ***($500-600)***

1155 $5. Fr.847a. 1914. No.A79493061A. **VF+; $5. Fr.847b.** 1914. No.A88862863A. **EF.** Both are bright, clean and crisp, but with a tight margin at the top or bottom. [2] ***($100-125)***

1156 $5. Fr.851a (4), **Fr.851c; $10. Fr.910, Fr.911A.** 1914. VG to nearly EF. Three of them are exceptionally nice for the grade, and look Uncirculated. [7] ***($200-300)***

1157 $5. Fr.851a. 1914. No.B97978029B. **G-VG; $20. Fr.958a.** 1914. No.G230448A. **Good; $20. Fr.968.** 1914. No.B18757082A. **Good.** The last two have edge and internal splits. [3] ***($100-125)***

Second Finest of Five Known

1158 $5. Fr.851b*. 1914. **STAR** No.B2233080*. **EF-AU.** Very tight at the top, but looks Uncirculated. **The second finest of the five known,** with the three lower ones much lower in grade. The highest serial number known. ***($700-900)***

Finest of Eight Known

1159 **$5. Fr.854*.** 1914. **STAR** No.C269049*. From the Amon Carter Estate, Hickman & Oakes' October 1987 Sale (as "CU"), and CAA's October 1998 Sales (as "Gem New"). While the note has been pressed, we can find no folds other than trivial corner bends, and H&O's "CU" grade is probably quite fair. **The only one of the other seven close to this is a note listed by Murray with a grade of "AU" that has never been publicly offered to our knowledge.** ***($1,000-1,500)***

1160 **$10. Fr.893b.** 1914. No.B9919354A. **F-VF.** A trifle close at the top right, with a pinhole below the portrait, but a pleasing looking note. ***($275-375)***

Exceptional Grade Fr.1030

1161 **$50. Fr.1030.** 1914. No.B3964073A. **Choice EF,** with good margins and not a single defect. Looks a grade or two better. **While Gengerke lists 34 of these, only two are graded higher** - one is owned by the Federal Reserve Bank of San Francisco, and the other sold for $3,300 in October, 2000. This one won't reach that level, but since it is certainly one of the nicest known, it would be a shame to miss it by trying for a bargain price! ***($750-1,000)***

1162 **$50. Fr.1035.** 1914. No.C2509511A. **VG,** with a small fold juncture hole, and some wallet soiling over the right quarter of the note. ***($80-100)***

1163 **$100. Fr.1089.** 1914. No.B2174698A. **F-VF,** clean and problem-free. Gengerke lists two dozen of these, but very few are appreciably better than this one. *(np)* ***($150-250)***

1164 **$100. Fr.1110.** 1914. No.G853358A. **EF.** A lovely note, with three vertical folds, but not a trace of use other than that. Perfectly centered, bright and crisp. ***($600-800)***

1165 **$100. Fr.1128.** 1914. No.L80099A. **VF-EF,** but with a short split in Franklin's face neatly repaired. ***($500-700)***

National Gold Bank Note

1166 **$5. Fr.1136.** Orig. No.7321-K276458. **VG** overall, but with some pinholes and small edge weaknesses typical of the grade. Very tightly trimmed across the top and bottom. ***($750-1,000)***

1168 **$10. Fr.1173.** 1922. No.H16110843. From our March, 2001 sale as **"Choice to Gem Uncirculated,** with its only problem being a short counting pinch at the right." The pinch is soft and barely detectable. ***($900-1,200)***

1169 **$10. Fr.1173.** 1922. No.K35015634. **AU.** A bright, pretty note, kept from Uncirculated by a pinch and a few corner creases. ***($350-450)***

1170 **$10. Fr.1173.** 1922. No.K60190720. **Choice EF.** Bright and crisp, fully Uncirculated were it not for a single center fold. The top margin dips a trifle close at the left. ***($250-350)***

1175 **$10. Fr.1173*.** 1922. **STAR** No.*475490D. **F-VF.** A bit close at the top, but solid and undamaged, with a decent appearance. There are 164 of these now in the census, but a great many of them grade a rather scruffy VG or lower. ***($400-500)***

1181 $20. Fr.1187*. 1922. **STAR** No.*255486D. **VF,** with a few tiny pinholes. Clean, with the face looking a grade higher. Murray lists a total of 83 Stars of this issue, and this pretty note from the Tom Conklin Collection is easily one of the nicer looking ones. ***($1,000-1,250)***

1182 $50. Fr.1200a. 1922. No.B746829. **Fine.** Undamaged, though the edges are soft in spots. A decent note for the grade, with good margins. ***($400-550)***

1183 $100. Fr.1215. 1922. No.N998192. **VF-EF.** Centered a bit high, but with bright paper and good color on both sides. The margins show a couple of pinpoint spots, really rather trivial. ***($800-1,200)***

Legal Tender

1184 $1. LT. 1928. No.A00001038A. **Gem Uncirculated.** About as low a four digit number as you can find on a $1 Legal Tender. This would be a Superb example with one millimeter more top margin. ***($300-600)***

1185 $1. LT. 1928. No.A00189283A. **Choice Uncirculated.** The strongly embossed seal and serial numbers are vivid red, and the paper is as fresh and crisp as the day it was issued. There is a some teller handling in the upper left margin, and the bottom margin is tight. ***($150-200)***

1186 $1. LT. 1928. No.A00631382A. **Gem Uncirculated.** Strongly embossed, and the centering on the front of this note is nearly perfect. ***($300-400)***

1187 $1. LT. 1928. No.A01772883A. **Choice to Gem Uncirculated.** Nicely centered on both sides, and the deep, strictly original embossing is very impressive. ***($200-300)***

1188 $2. LT. 1928A. No.A62719485A. **Choice Uncirculated.** Light teller handling in the upper right corner and less than perfect centering keeps this note from a higher grade but the collector demand far outstrips the current supply. ***($350-450)***

1189 $2. LT. 1928C. No.B71475474A. **Gem Uncirculated.** ***($100-200)***

Rare 1928C BA Mule

1190 $2. LT. 1928C. Mule. No.B98981048A. **Fine** with some erasure marks left and right of the Treasury Seal, evidently to remove some remnants of red crayon. There are eight BA and seven CA blocks known, the last of which just sold in our March auction for $3190 with a repaired corner. In an article in issue No.187 of "Paper Money", Peter Huntoon estimates the entire 1928C Mule issue at only 360,000. All the census data provided herein is courtesy of Mr. Huntoon's information. The face and back check combination is B179/293 on this very rare piece with an estimated census of only 15 known notes in both blocks. ***($3,000-5,000)***

Rare 1928D BA Non-Mule

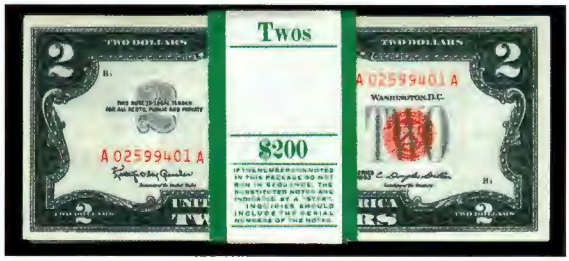
1191 $2. LT. 1928D. No.B98853834A. **Fine.** There is one small closed margin split but no other defects aside from honest wear and soiling. This note will bring the census to 18 notes known with the vast majority in **Very Good** to **Fine** grade. The last one we offered sold for $770 in similar condition. ***($600-1,000)***

1192 $2. LT. 1928D*. STAR No.*02732533A. **Crisp Uncirculated.** Very light press bed ink traces on both sides. $250 in Oakes and Schwartz in CU, but try to find one for twice the price with original paper. ***($300-450)***

1193 Half Cut Sheet of Six. $2. LT. 1928G. Nos.D84823135A-40A. All are **Choice to Gem Uncirculated** and wonderfully crisp and bright. Strictly original, and a pleasure to behold. [6]
($150-250)

1194 Pack of 89 Consecutive $2 Notes. LT. 1953A. Nos.A55196311A-400A. A **Choice to Gem Uncirculated** run of very nicely centered deuces. [89]
($500-800)

1195 $2. LT. 1963. No.A04094025A. Signed by **Kathryn O'Hay Granahan** and **Douglas Dillon. Gem Uncirculated.**
($250-350)



1196 $2. LT. 1963. Pack of 100. Gem Uncirculated. The first couple of notes have insignificant tip bumps. The remainder of the notes are pristine. [100]
($800-1,200)

1197 $2. LT. 1928C. Uncut Sheet of Twelve. Choice Extremely Fine. Nos.B83988241A-252A. Folded horizontally and vertically through the margins. The folds do not go through any of the design elements of the notes, and if cut, would all be Crisp Uncirculated.
($600-800)

1198 $2. LT. 1928F. Uncut Sheet of Twelve with Original Envelope and Invoice. Nos.D39552817A-28A. **Crisp Uncirculated.** There is a paper clip depression at the top center margin of the sheet and all the corners are bumped due to the sheet being kept in the original packaging since it was purchased from the Treasury Department June 10, 1949. All the original packaging is intact, including the envelope with registered stamp and 67 cents in postage. The original invoice is also included. It is so rare to see any original packaging with sheets that it is anyone's guess when the bidding will stop. [3]
($1,500-2,500)

1199 **1963 and 1963A $2 Legal Tender Note Grouping.** 1-7) 1963 Stars. Nos.*00600503A-509A. 8-18) 1963A. AA. 19-50) 1963 Stars. In different consecutive runs of from two to ten notes each. All **Choice to Gem Uncirculated.** [50] ***($400-600)***

1200 **$2. LT. 1963A. Pack of 100. Choice to Gem Uncirculated.** The first couple of notes on the bottom and top have handling and would have to be called About Uncirculated. The majority of this pack, with the original band dated Aug 15, 1966, is Gem. [100] ***($800-1,200)***

1201 **$5. LT. 1928C. STAR** No.*06847409A. **Choice Uncirculated** with minor teller handling in the left margin only. Much scarcer than the 1928F series typically seen in the Star block. ***($400-600)***

1202 **$5. LT. 1928F. Wide One to Narrow Changeover Pair.** Nos.I61309218A-19A. **Choice to Gem Uncirculated.** The interest in changeover pairs continues to increase and these notes exhibit total originality. [2] ***($250-450)***

1304 **$20. FRBN. 1929*. STAR** No.G00001242*. **Very Fine.** Looks slightly better but may have been lightly pressed. With a printing of a meager 12,000 notes it is no wonder that there are only about a dozen known to exist. Only four districts are scarcer and with an Oakes/Schwartz value of $950 this piece could easily reach that level in today's hyper Star market. This attractive and scant Star is likely near the top part of the condition census as FRBN Stars are notoriously difficult to find in high grade with so few known on all districts. Accompanied with the fact that the Federal Reserve Bank Notes were an emergency issue and the work horse of the depression economy, few were saved as collectables. ***($900-1,500)***

1308 $20. FRBN. 1929*. STAR No.I00002599*. **Choice Fine to Very Fine.** Only ten known in all grades, with an issue of 12,000. This note is new to the census and represents an infrequent chance to add this to a serious collection. The Dallas and San Francisco Stars are much scarcer, and the keys to the series, but only one set can be complete and three nearly so. This will make it possible for a FRBN Star specialist to come all the closer to the nearly impossible task to finish. ***($1,300-1,800)***

1309 $20. FRBN. 1929. No.K00318079A. **Choice Very Fine to Extremely Fine.** Recent offerings have been achieving stratospheric price levels regardless of originality. This note is totally original and appears AU at a glance. Undervalued by most in the hobby until recently. Expect this note to bring many multiples of the most recent guide prices. ***($300-600)***

1310 Chicago FRBN Pair.$20. FRBN. 1929. No.B01749381A. **Choice to Gem Uncirculated. $10. FRBN. 1929.** No.G01344016A. **Pressed AU.** [2] ***($225-300)***

1312 $20. FRBN. 1929. An almost complete district group, except for the missing Dallas. The districts remaining grade as follows: the AA, DA, EA, FA, GA, JA and LA in about **Fine to Very Fine**; BA in **Choice About Uncirculated** and the CA, IA and HA in **Choice Very Fine**. [11] ***($300-550)***

1313 1929 Federal Reserve Bank Note Group. 1) **$5** NY **EF-AU.** 2-3) **$10** NY **EF-AU.** 4) **$20** Atlanta **Choice AU and scarce.** 4) **$20** Richmond **EF-AU.** The Atlanta is the real prize of this group with the scarcer Richmond a close second. The Atlanta is worth $500 on its own merits. [5] ***($500-650)***

1314 $50. FRBN. 1929. No.B00342793A. **Choice Uncirculated** with full, punch through embossing. ***($250-400)***

1315 $50. FRBN. 1929*. STAR No.B0015363*. **Very Fine.** A pleasing circulated example of the type Star for this denomination. Approximately 42 notes known of the 24,000 printed. ***($450-700)***

1316 $50. FRBN. 1929*. STAR No.D00005124*. **Very Good.** One of about 23 stars known on this district. Some light ink on the face of this Cleveland Star. ***($300-400)***

1317 $50. FRBN. 1929*. STAR No.D00005706*. **Choice Fine to Very Fine.** With the four most difficult districts being virtually unobtainable, this Cleveland Star is the last one that most collectors find before the search turns into the waiting game. Only 23 known of the 12,000 printed at last count. ***($600-900)***

1318 $50. FRBN. 1929. No.J00265733A. **Choice Uncirculated.** A well centered KC fifty. ***($250-375)***

1319 $50. FRBN. 1929★. STAR No.J00000055★. **Choice Very Fine.** A very interesting two digit Star that is very near the known low observed. If your number is 55 than this is the note for you as it may be decades before this piece gets back into collector channels. Far from common with 26 extant of an issue of 12,000. ***($800-1,200)***

1320 $50. FRBN. 1929. No.K00160634A. **Fine.** Difficult in any circulated grade and this cataloger has yet to see one in better than Choice AU sold publicly or privately. 1333 $1. FRN. Group. Fine to CU. Includes three **Crisp Uncirculated** sets: 1963A district set (12); 1963B complete block set with Stars (13) and a 1974 district set missing the IA (11). Also a complete block set of 1963A FRNs that range in grade from **Fine to CU** (70), with most averaging Very Fine, and a miscellaneous group of 15 circulated Web notes and one SC (16). Sold as is; no returns. [122] ***($300-500)***

1334 Group of 79 $1. FRN. 1963B. Some consecutive serial numbers. Joseph W. Barr. **Choice to Gem Uncirculated.** [79]

1335 $1. FRN. 1963A through 1977. Choice to Gem Uncirculated. Not an inclusive series group as there are mostly 1974 series notes with a mix of other series and blocks including some Stars. Should be seen and is sold as is; no returns. [143] ***($200-350)***

1336 $1. FRN. 1969. No.A55555555A. **Very Fine.** A nice circulated solid serial for the number collector on a budget. ***($400-700)***

1338 $1. FRN. 1969*. STARS. B* Block. Gem Uncirculated. A lovely, nearly flawless offering. The first sixty-two notes are consecutively numbered. The last piece is from the same one hundred note pack (63); **$1. FRN. 1969B*. STARS. B* Block. Gem Uncirculated.** (39) Nearly all are consecutively numbered as there is a single six note gap within the forty-five note serial number range in this lot. [102]

1339 $1. FRN. 1969*. STAR No.C05608000*. **Gem Uncirculated.** This is the late printing run of Philadelphia Stars that were printed after the 1969A series had already started. 1340 $1. FRN. 1969*. STAR No.C05331204*. **Gem Uncirculated.** One more of the late run of Philadelphia Stars. ***($100-200)***

Low Number District Sets

1341 $1. FRN. 1974. Near Complete #2 District Set. No.00000002A. **Choice to Gem Uncirculated. All the issuing districts are represented except for Richmond and Chicago.** The missing districts are inexplicable as this appears to be a presentation set. Included is a 4 by 8 inch BEP engraved card with a vignette of the Bureau of Engraving and Printing. Below the text reads, " On the occasion of the first printing of the Series 1974 United States Currency, July 3, 1974." The engraved signatures of Francine I. Neff, Treasurer of the U.S., and William E. Simon, Secretary of the Treasury, appear near the bottom of this presentation card. It would seem that the other issuing districts not present in this set were either damaged, and unusable, or were printed later and lost in the bureaucracy. It is unlikely that they were ever part of the set and sold later, as anomalies in the following sets will repeatedly emphasize. A very rare, once-in-a-lifetime opportunity for the number collector who covets the second best number possible. We were unable to find any sales of number 2 $1 FRNs offered in the last six major sales. The other denominations all reached, or surpassed, $1,000 each. [10] ***($6,000-12,000)***

1342 $1. FRN. 1974. Low Number 21 District Set of Eleven #21 Notes and One #41. No.00000021A. **All Gem Uncirculated except the BA, which is Crisp Uncirculated** due to a small pinhole in the upper margin. Only the GA is represented as the anomalous No.00000041. In all the following low number district sets the GA is represented by a note exactly 20 numbers removed from the group. It can only be surmised that the first sheets were defective or lost and a note near the same low number was substituted. All sets include the BEP presentation card. [12] ***($700-1,400)***

1343 $1. FRN. 1974. Low Number 22 District Set of Eleven #22 Notes and One #42. All No.00000022A **except the GA No.00000042. All Gem Uncirculated except the BA, which is Crisp Uncirculated** due to a small pinhole in the upper margin. Includes the BEP presentation card. **[12]**

Wonder Mismatch Error

1465 Incredible "Wonder" Error. $100. FRN. 1977. No.B38728270A **And No.B38748270A. Crisp Uncirculated. One has to "Wonder" how this note ever escaped into circulation and it will take a learned grasp of the numbering system at the Bureau of Engraving and Printing to solve the mystery.**

To begin with the portion of the sheet, and this note, had to have been torn and the upper right quadrant folded over before, or during, the numbering process. This is how it received the serial number designated for the note directly below this note on the sheet. The serial numbers progressed by 20,000 in descending order within that quadrant and returned to the top of the quadrant, which then had a number that was 80,000 greater than the note to the left.

Remember, the note was still part of the sheet even though it was already torn in half. A diligent and thrifty BEP employee must have seen that the majority of the sheet was still salvageable, so, to save all the tax payers from government waste, the note was unfolded - with the wrong serial number printed on the back of the right half - and put into the cutting and bundling process.

There is one small machining streak on the left half , and the right face, which of course is missing the overprint, has the #18 scrawled in ballpoint; perhaps the teller number who found this oddity in a bundle of hundreds. It is a wonder how this note was created. It is even more inexplicable that the note ever was released into circulation. A most unusual error and it is anyone's guess when the bidding will stop. ***($600-1,000)***

1466 $1. FRN. 1969D. No.F28790847B. **Gem Uncirculated.** A very large fold over with the third printings first four digits of the serial number evident on the back. An error made even more dramatic by the miscut caused by the large foldover. ***($250-500)***

U. S. National Bank Notes

In a period of economic uncertainty, political problems, life threatening health issues, terrorism and an abundance of other world disruptions, National Bank Notes are enjoying their greatest surge in popularity not only in our lifetime, but in history! Certainly nostalgia plays a part - the fun of having notes issued from where you grew up, or perhaps your old college town. But the allure of Nationals goes far beyond that, offering so many challenging ways to collect that one can literally never tire of them.

The major consignor to this sale enjoyed collecting Nationals in several ways. The large number of good Connecticut notes should give a hint as to the locale the collection comes from, but there are other specialized collections as well. The collecting of State Capitals has its fascination, and an excellent assortment is offered here. Since the use of the titles "Federal National Bank" and "United States National Bank" were banned, the collecting of "Forbidden Titles" has been popular. The most advanced area of specialization offered here is the "14000" Charter Numbers. This small group of banks (the highest charter number to issue was 14320) were chartered at the end of the era, and many of these banks had time to issue only very limited quantities of notes. We are pleased to offer here the second largest collection ever sold - an astonishing 36 different notes.

We have no doubt that many of the notes offered here will fit into specialized collections outlined above, and have no doubt as well that many of them will fit just as nicely into collections focused in other ways we haven't even dreamed of!

SPECIALIZED COLLECTION OF "14000" CHARTER NUMBERS

Only one sale in history has had more than twelve of these elusive notes. We are pleased to offer 36 notes here, representing 24 different states.

Of the fifty states plus the District of Columbia, only 35 states had banks with charters of 14000 or higher that issued notes. None were issued in Alabama, Alaska, Arizona, Connecticut, Delaware, D.C., Hawaii, Idaho, Mississippi, Montana, Nevada, North Carolina, North Dakota, Rhode Island, Tennessee, Utah, or Wyoming.

Only 1929 Type II notes could have been issued.

Arkansas

1530 **Ch.14000.** *Little Rock.* **Commercial NB. $5.** 1929 T2. **Fr.1800-2.** No.A017805. **F-VF,** but missing all four corner tips (none reaching the engraving). ***($100-150)***

Founded in 1819 on the site of a former Quapow village, Little Rock became the territorial capital in 1821 and state capital in 1831.

Colorado

1531 **Ch.14213.** *Eads.* **First NB. $5.** 1929 T2. **Fr.1800-2.** No.A000312. **F-VF.** Well centered, and crisp for the grade. Looks a grade better at first glance. Kelly lists **just two single notes known,** plus two sheets - figures in agreement with ours. Notes from this bank have only been offered four times over the past half century, with this note accounting for two of the four sales. In the June 2000 Memphis sale this note realized $4,895 on a $1,500 to $2,500 estimate.

($4,000-6,000)

Georgia

1532 **Ch.14061.** *Elberton.* **First NB. $10.** 1929 T2. **Fr.1801-2.** No.A000411. **AU.** Fully original, with excellent embossing, and just a faint fold. Georgia had only two 14000 Charter banks - this and the First NB in Cordele. Each has **but two notes known.** The other note for Elberton is a $5 several grades lower, yet it realized over $1,900 (more than triple the Kelly value) a year and a half ago. This far superior $10 should elicit considerable interest. ***($2,500-3,500)***

Illinois

1533 **Ch.14110.** *Chicago.* **District NB. $10.** 1929 T2. **Fr.1801-2.** No.A007074. **VG.** Perfectly centered and evenly worn, with its worst problem being two tiny pinholes. While Kelly lists ten notes known, they are **rarely available** - the Gengerke records show just two auctions and three fixed price offerings over the past fifty+ years. ***($350-45034***

1534 **Ch.14246.** *Chicago.* **Liberty NB. $5.** 1929 T2. **Fr.1800-2.** No.A013265. **Fine+.** Centered a bit low and left, but a pleasing note. ***($125-175)***

1535 **Ch.14245.** Chicago. **Milwaukee Avenue NB. $20.** 1929 T2. **Fr.1802-2.** No.A002062. **EF.** Good margins and originality, but a short, thin, barely noticeable scrape on the back must be mentioned for accuracy. This is easily the finest of the few we have traced. Kelly lists **eleven notes known,** but they show up very infrequently. ***($300-400)***

1536 **Ch.14118.** Lincoln. **First NB. $5.** 1929 T2. **Fr.1800-2.** No.A007951. **VG.** A bit subdued by age (like this cataloguer), but with good margins and no defects. Kelly lists **just nine notes known.** ***($150-250)***

Originally founded in 1837 as Potsville, Abraham Lincoln practiced law here for several years. The city was renamed (with Lincoln's consent) in 1853.

Iowa

1537 **Ch.14028.** Council Bluffs. **First NB. $10.** 1929 T2. **Fr.1801-2.** No.A001587. **VG+,** but obviously washed, primarily affecting the bank title. A very scarce bank, with **just seven notes known.** ***($200-300)***

In 1846 the Mormons arrived, settling here until 1852, when they left for Utah. At that time the city was renamed Council Bluffs. As the eastern terminus for the Union Pacific Railway, across the river from Omaha, it quickly became one of the most important commercial centers in the midwest.

Kansas

1538 **Ch.14048.** Lyons. **Chandler NB. $5.** 1929 T2. **Fr.1800-2.** No.A004477. **EF.** Very tight at the bottom and left, but bright, crisp and fully original. Kansas has just two 14000 Charter banks, this one all the more interesting as it has "VICE" engraved on the plate for the Vice President's title. Luckily this one is fairly common, as the First NB in Goodland is all but unobtainable. ***($125-175)***

Kentucky

1539 **Ch.14320.** Louisville. **Liberty NB & TC. $10.** 1929 T2. **Fr.1801-2.** No.A009127. **VF,** with good margins and a wholesome appearance. Although banks were chartered beyond 14320, this is the highest charter number to actually appear on an issued note. ***($150-200)***

Maine

The Only Note Ever Offered Publicly

1540 **Ch.14224.** Fort Kent. **First NB. $10.** 1929 T2. **Fr.1801-2.** No.A001010. **F-VF.** Like the last, a well margined note with a clean, pleasing appearance. This bank has only been sold publicly once before - when David Koble offered this note for $925 on his November 1998 fixed price list. Maine's only issuing member of the 14000 Charter club, and **Kelly reports only three notes known.** ***($1,000-1,500)***

A tiny remote one-bank town at the northern end of Maine on the Canadian border.

Maryland

1541 **Ch.14044.** Brunswick. **Peoples NB. $5.** 1929 T2. **Fr.1800-2.** No.A001079. **Gem Uncirculated.** This is your best bet for a Maryland 14000 bank, as the Citizens NB in Pocomoke City is far rarer. ***($300-400)***

Michigan

1542 **Ch.14102.** Iron River. **Iron River NB. $5.** 1929 T2. **Fr.1800-2.** No.A011910. **VF.** Light wallet soiling on the back, but the face looks a grade better. The entire issue for this bank consisted of 15,500 Type 2 $5 notes, and Kelly reports **only nine known.** ***($600-800)***

Missouri

1543 Ch.14092. Caruthersville. **NB of Caruthersville. $5.** 1929 T2. **Fr.1800-2.** No.A005494. **EF-AU.** Bright and crisp, with beautiful full margins and full originality. Missouri's only 14000 Charter bank. A very rare late bank, with **only six notes in the census.** ***($500-750)***

Nebraska

1544 Ch.14083. Superior. **Security NB. $10.** 1929 T2. **Fr.1801-2.** No.A001554. **VF** or so, with no problems. Nebraska's only available 14000 Charter bank as the Wymore NB has never been offered publicly. Although this bank's total issuance barely topped 5,000 notes, the survival rate has been above normal - Kelly lists sixteen notes known. ***($150-200)***

New Hampshire

1545 Ch.14100. Berlin. **Berlin City NB. $10.** 1929 T2. **Fr.1801-2.** No.A002803. **VG-F,** with a tight margin at the bottom, and some soiling, but no damage. **New Hampshire's only 14000 Charter bank,** and difficult to locate, as the census consists of just one sheet and **six single notes.** The total issuance consisted of 6,625 $10 notes. A Fine sold for over $900 a few months ago - this one is just a half grade lower, and should bring... ***($500-750)***

A popular area with skiers, Berlin has one of America's highest steel tower ski jumps.

New Jersey

1546 Ch.14189. Tuckahoe. **First NB. $20.** 1929 T2. **Fr.1802-2. Low No.A000006. AU.** If not for a sharp diagonal center fold and a couple of minuscule glue spots at the extreme edge this would be Choice Uncirculated. **Kelly reports 2 sheets and no single notes known, while the Gengerke records show only three public offerings.** The two sheets listed by Kelly were in a 1994 Christie's sale, and were subsequently cut up by a New Jersey specialist; one note sold in a January 1999 sale for $1,540, and this note was offered by David Koble in February 1997 at $950. ***($1,000-1,500)***

A small southern Jersey town not far from Atlantic City.

New York

1547 Ch.14019. Kings Park. **NB of Kings Park. $5.** 1929 T2. **Fr.1800-2.** No.A006829. **G-VG** in terms of basic wear, but heavily soiled, with some slightly mouse-eaten edges (just barely affecting the engraving). Though lacking in grade, the rarity of notes from this small town on Long Island's north shore will make it salable. **Only a half dozen are known** (the bank issued only $5 notes), and the only other one sold publicly in the past 17 years was a VF that brought $1,650 in 1998. ***($900-1,200)***

Surprisingly, New York had only four 14000 banks chartered, and only three of them issued notes - all are quite rare.

1552 Ch.14250. Hamburg. **NB. $10.** 1929 T2. **Fr.1801-2.** No.A001993. **Fine.** An evenly worn, problem-free example of this **very rare** bank. **Kelly lists only seven notes known,** and only two have been offered publicly in the past twenty years (this note in 1996, and one in 1994). ***($250-350)***

1553 Ch.14156. Hooversville. **Hooversville NB. $10.** 1929 T2. **Fr.1801-2.** No.A000687. **Fine.** Tightly trimmed across the bottom, with some light soiling on the face. This late chartered bank issued a total of less than 7,000 notes, and Kelly lists just two sheets and **two single notes known,** and there have been very few public sales over the years. The only other 14000 Charter bank in the state is the First NB of Pierre, and is quite rare. As long as you're not trying to combine state capitals and 14000 Charters in one note this one will suffice nicely. Only 4,645 notes were issued by this bank, and 16 are reported. ***($250-350)***

1561 **Ch.14099.** Rapid City. **Rapid City NB. $10.** 1929 T2. **Fr.1801-2.** No.A000835. **Fine,** but Hamilton is looking at an unsuccessfully erased large (1" high) pink '9'.

1563 **Ch.14234.** Poultney. **Poultney NB. $5.** 1929 T2. **Fr.1800-2.** No.A000056. **Choice Uncirculated.** Trimmed from the sheet by a slightly shaky hand, but aside from the resulting margins this is a gem. The only 14000 bank chartered in the state. **Notes from Poultney have only been offered twice in history:** In 1982 we sold an uncut strip of four of these. The strip was cut, and this note appeared fourteen years later in a 1996 sale, realizing $770. Kelly lists a fifth note known, which may or may not be from this sheet. ***($1,000-1,500)***

Alaska - The 49th State

1597 **Ch.P7718.** *Fairbanks.* **First NB. $5.** 1902 Red Seal. **Fr.587.** No.D209128/1069. D. From a small hoard disbursed by Joe Wells in the 1960s. This one went to John Hickman, then to J.L. Irish, who had it for many years until Lyn Knight sold his collection in 1997. The hoard was basically Choice Uncirculated except that the original sheets had a bit of handling, mainly in the wide sheet selvedge. This one is no exception - it's a beautiful **Choice Uncirculated** note except for a soft bend and a few trivial corner folds in the wide bottom selvedge, two of which touch the engraving. ***(20,000-30,000)***

Founded in 1902, the town was named for Senator (later Vice President) Charles Warren Fairbanks.

1598 **Ch.12578.** *Ketchikan.* **First NB. $5.** 1929 T1. **Fr.1800-1.** No.C000792A. **F-VF.** The upper left corner has a nicely done repair, but the note is clean, with a nice overall appearance. Kelly lists 24 known, but most are rather low grade. The similar grade $10 (but without a repair) that we sold last year brought $15,400, and the last significantly better one sold publicly was on a Hickman & Oakes Fixed Price List 29 years ago! The key to a state set of Small Size Nationals. ***($9,000-14,000)***

The southern most major Alaskan city, Ketchikan was developed as a supply stop for prospectors heading north during the 1890's gold rush. The name comes from its Tlingit Indian name, "Kach Khanna."

1610 **Ch.P9626.** *Fort Bragg.* **First NB. $5.** 1902 Plain Back. **Fr.600.** No.B572824D/5528. D. **VF,** with a couple of small pinholes in the portrait. Good margins and bright purple stamped signatures make this a rather attractive note. Although Kelly is a bit out of date, listing two notes known with the first title, it is still **very rare.** Even the second title remains very rare. This one is slightly superior to the one in our Memphis 2001 sale, and the one in our Memphis 2000 sale (in the same grade), was very badly off center.

In his cataloguing of the Charles Colver Collection, Allen Mincho relates the background of this historic town... ***"A ranch was established here in 1842 on land leased from John Sutter. In 1849-50, Sutter conveyed his interests to Couvillaud and Company, and in the winter of 1850 the present city was laid out by French surveyor Auguste Le Plongeon. At a public meeting in January of 1850 the town was named Marysville, in honor of Mary Murphy Couvillaud, a survivor of the Donner party and the wife of Charles Couvillaud, the principal owner."*** *We can think of few notes more closely tied to the romantic history of California than this note, with its connection to John Sutter, whose discovery started the Gold Rush, and with the infamous Donner party, and its darker history.*

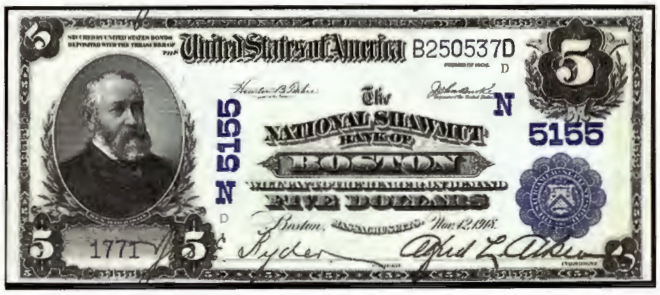
1826 Ch.1386. *Abington.* **Abington NB. $5.** 1929 T1. **Fr.1800-1.** No.A000446A. **VG+,** with a few scattered pinholes. **Very rare,** with two Large and **three Small notes in Kelly's census.** With only **two auction appearances on record** (one each in the early 1980s and early 1990s), and a few decades-old fixed price lists from Curt Iversen, this is a pretty tough bank to find, let alone improve upon. Included with this note is a small 6" x 9" dark brown draw-string cloth bank bag, stamped in black **ABINGTON / NATIONAL BANK / ABINGTON, MASS.** and the **FDIC** seal. ***($1,000-1,500)***

1827 Ch.1029. *Boston.* **Columbian NB. $5.** 1875. **Fr.403.** No.A601484/337x. A. **EF.** Trimmed into the design on three sides, but with bright paper and color, and bold black signatures, it's still quite an attractive note. A Large-only bank, liquidated in 1898. ***($750-1,000)***

1828 Ch.974. *Boston.* **Massachusetts NB. $5.** 1882 Brown Back. **Fr.467.** No.W142970/7847. A. **G-VG.** The edges are a bit rough in spots, and the back somewhat faded, but the note is fairly solid for the grade, with good signatures. Another Large-only bank, liquidated in 1903. Kelly lists only six notes known, and there have been only nine public appearances over the past sixty years. ***($400-600)***

1829 Ch.N475. *Boston.* **Merchants NB. $5.** 1902 Red Seal. **Fr.587.** No.M86953/27019. C. **VG.** Well worn, but the stamped signatures are bold. Although this early bank lasted into the Small Size era, it issued only Large notes. ***($150-200)***



1830 Ch.N5155. *Boston.* **National Shawmut Bank. $5.** 1902 Plain Back. **Fr.606.** No.B250537D/1771. D. **Choice Uncirculated.** Close at the bottom, but bright and crisp, with bold stamped signatures. A bank well known to collectors for its hoard of Brown Backs and 1882 Date Backs, but Third Charter notes are nearly impossible to find. Not surprising, as over 4 million Second Charter notes were issued vs. less than 40,000 Third Charter notes - more than a 100 to 1 ratio!. This is easily the nicest of the few we've seen. ***($600-800)***

1831 (Ch.1015.) *Boston.* **Old Boston NB. $5.** Orig. Series. **Fr.397.** No.E93154/3054. A. **EF,** with three vertical folds and a "New England Trim" - to the engraving on three sides. The bright white paper, bold red overprint and strong pen signatures, make this note particularly attractive, in spite of the trimming. A rare Boston bank, liquidated in 1916, with **just four notes in Kelly's census.** The only other truly EF note we've traced is the $1 sold by John Hickman over ten years ago, trimmed identically to this one. ***($1,500-2,500)***

1832 **(Ch.669.)** Dedham. **Dedham NB. $1.** Orig. Series. **Fr.380.** No.959857/4220. C. **VG.** A basically solid note for the grade, with bright color and bold dark signatures. There are a few tiny edge splits, but no serious damage, and the note is evenly worn. A Large-only bank, liquidated in 1924, with **eight notes in the census today.** ***($500-750)***

1833 **Ch.669.** Dedham. **Dedham NB. $1.** Orig. Series. **Fr.380.** No.E312337/11080. A. **Fine,** in terms of wear, but with numerous small edge nicks and several splits, as much as an inch long. ***($600-800)***

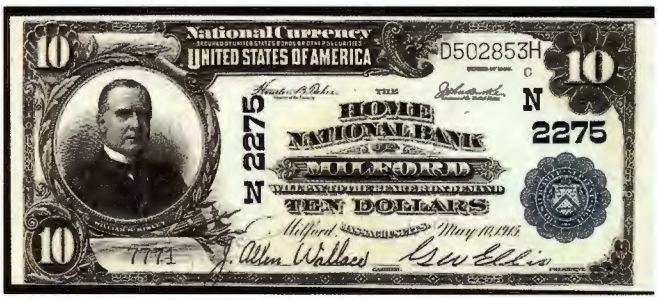
1836 **Ch.481.** Haverhill. **First NB. $5.** 1929 T1. **Fr.1800-1.** No.E001667A. **Uncirculated.** While this pretty note has no folds, and does have decent embossing, it is a bit rippled, and tight at the bottom. ***($125-150)***

Birthplace of John Greenleaf Whittier, some of whose poetry describes life in the area.

1837 **Ch.885.** Lee. **Lee NB. $5.** 1929 T1. **Fr.1800-1.** No.F002946A. **VF-EF.** A pleasing note that looks a grade better. A scarcer one-bank town, with nine Small notes in the census. This is the finest of the ones we've seen. ***($125-150)***

1838 **Ch.N2275.** Milford. **Home NB. $5.** 1902 Plain Back. **Fr.606.** No.M47679B/2012. C. **VG.** Well used, and somewhat dirty, but with good stamped signatures. This bank is famous for its hoard of top condition First Charter notes, but Third Charter notes are rarely encountered. This $5 is slightly nicer than the one we sold for $121 three years ago. ***($125-175)***



1839 **Ch.N2275.** Milford. **Home NB. $10.** 1902 Plain Back. **Fr.632.** No.D502853H/7771. C. **Choice AU,** with a faint old center fold, very hard to detect. Bright, clean and crisp, with bold stamped signatures. We can't remember the last time we even saw a Third Charter from this bank in anything approaching this in condition. ***($250-350)***

1840 **Ch.12405.** New Bedford. **Safe Deposit NB. $5.** 1902 Plain Back. **Fr.609.** No.29196/29196. D. The face is **VF,** but looks a full grade better; the back is not quite as nice, but still nothing to apologize for. Kelly lists seven Large notes known; we've traced nine, not one of them nicer than this. ***($300-400)***

1841 **Ch.1047.** Newburyport. **Merchants NB. $5.** 1902 Plain Back. **Fr.598.** No.23196/23196. H. **EF,** easily mistaken for a higher grade. Good margins, with nice purple stamped signatures. Although this long-lived bank issued from the Original Series through the 1929 Type 2 notes, both Large and Small notes are rare. Like Kelly, our census shows **eight Large notes known,** and this is the finest we've encountered. ***($250-350)***

1842 **Ch.13252.** Newton. **Newton NB. $5.** 1902 Plain Back. **Fr.611.** No.1961/1961. B. **VF-EF.** Trimmed into the design at the top (with part of the next note showing at the bottom). Bright and crisp, with good color. Chartered at the end of 1928, this bank had time to issue only a few Plain Back $5 notes before switching to Small Size. ***($200-250)***

1843 **Ch.996.** Plymouth. **Old Colony NB. $5.** 1929 T2. **Fr.1800-2.** No.A001742. **VG,** centered low and left. A scarce bank, with **just ten Small notes reported.** ***($100-125)***

1845 **Ch.4771.** Somerville. **Somerville NB. $20.** 1929 T1. **Fr.1802-1.** No.F000086A. **VG+.** Good margins, but with a small paper pull in the engraved border at the bottom right, easily forgiven as there are only eight Small notes in the census. ***($150-250)***

1846 **Ch.N11103.** Winchester. **Winchester NB. $5.** 1902 Plain Back. **Fr.606.** No.V521835D/1989. Although the census lists eleven Small notes known, they must be tightly held. Our records show **only four public sales:** a VG sold for over $400 early this year (after previously selling in a group lot in 1998), a rust damaged Fine sold in 1988, and a VG-F in 1984. This one is far superior to all of them. ***($750-1,000)***

Uncut Peirce City Sheet

1878 **Ch.4225.** *Peirce City.* **First NB. $5.** 1929 T2. **Fr.1800-2. UNCUT SHEET,** Nos.A002443-48. Most of the notes are **Choice Uncirculated,** but the top note shows some handling, and the back of the sheet shows two tiny hinge traces. Kelly lists five sheets known to which we can add this one. The lowest number sheet known is A002389, and this is the highest, from which one may infer that five more sheets may be lurking somewhere, still safely sequestered from the prying eyes of numismatists. Since there's been no hint of them for seven decades, the smart collector won't pass this one up on the chance of another one coming out. A tiny town in the southwestern corner of the state.

Nevada

Don't let the number of Nevada notes offered here mislead you - it's been years since there were this many in one sale!

The ***Butch Cassidy*** gang passed though Winnemucca in 1900, pausing long enough to "withdraw" some spending money from this bank.

New Hampshire

1902 Ch.596. Claremont. **Claremont NB. $5.** 1882 Brown Back. **Fr.467.** No.W717657/4219. A. **VG.** A bit dirty, with the edges rough in spots and the margins tight, but no damage other than a short (4mm) internal split. Kelly lists just **ten Large notes known.** ***($400-600)***

Originally a commonwealth, independent of the British Colonies from 1638-1643, Exeter served as New Hampshire's capital in the 1770s.

1907 Ch.946. Keene. **Ashuelot-Citizens NB. $5.** 1929 T1. **Fr.1800-1.** No.D000379A. **VF.** Slight soiling about a fold at the left, but otherwise clean and attractive. ***($100-125)***

1908 Ch.N2299. Keene. **Citizens NB. $5.** 1902 Plain Back. **Fr.606.** No.H261320E/11699. A. **VG.** Well worn, and the signatures are long gone. While the edges are somewhat soft, typical of the grade, there are no splits or other serious problems. A scarcer bank, liquidated in 1924, with a dozen notes in the census. The data on this bank seem to be amiss - Kelly lists no Plain Backs issued, yet we have one here. ***($250-350)***

1909 **Ch.2600.** Lancaster. **Lancaster NB. $5.** 1929 T2. **Fr.1800-2.** No.A000614. A strong **VG-F,** with no defects. Scarce, with just a **dozen Small notes in the census.** ***($175-275)***

1910 **(Ch.1310.)** Nashua. **Indian Head NB. $2.** Orig. Series. **Fr.387.** No.A891264/1004. A. An evenly worn **VG+,** closely trimmed all around, but with no damage of any kind. The signatures are still strong, and the overall appearance is still quite pleasing for the grade. Kelly lists fifteen Large notes known for the bank, only two of which are deuces. ***($2,000-3,000)***

1911 **Ch.1310.** Nashua. **Indian Head NB. $5.** 1929 T1. **Fr.1800-1.** No.A000424A. **VG,** with some soiling, as one might expect for the grade. A bit close at the left, but no pinholes, splits, etc. Even scarcer than the Large Size, with eleven notes known. ***($125-175)***

New Hampshire's oldest settlement and only seaport, it served as the state capital until 1808.

1914 **(Ch.1674.)** Warner. **Kearsarge NB. $1.** Orig. Series. **Fr.380.** No.B308344/1262. A. **Fine,** trimmed to the engraving all around, as can be seen on so many New England notes. This one is quite solid, with bold signatures and the initial appearance of a higher grade. There are a few short (5mm or so) edge splits, none apparent until you look for them. A **very rare** one-bank southern New Hampshire town that was liquidated in 1884 after issuing only First Charter notes. Not surprising, as the town even today is not much larger than a crossroad. Kelly lists just two notes known, but three more have appeared since he went to press. With an **incredibly low outstanding balance of $697 in 1910,** it's unlikely many more will turn up. ***($1,500-2,250)***

1918 **Ch.8394.** Closter. **Closter NB & TC. $5.** 1929 T2. **Fr.1800-2.** No.A000357. A bright, crisp **EF.** The back shows a tiny (2mm) brown spot in the margin, which disappears in the engraving on the face. A very scarce one-bank community in popular Bergen County. Though Kelly lists twelve Small notes known, they are offered very infrequently. The Gengerke records show a total of only seven public sales, covering both Large and Small size, and both titles. We can find no record of any note from this bank this nice ever being offered publicly. ***($400-600)***

1919 **Ch.12806.** Guttenberg. **Liberty NB. $10.** 1929 T1. **Fr.1801-1.** No.C000932A. **Fine,** but with a 1" tear at the right side. Not the best condition, but scarce, with **ten Small notes in the census.** ***($100-200)***

A clean, pleasing **Fine** or a bit better. The third title for this bank - the only title to issue Small Size; **Ch.3922.** Salem. **City NB & TC. $5.** 1929 T1. **Fr.1800-1.** No.D005982A. **VG.** Nice on the face, but a bit soiled on the back. ***($150-225)***

In addition there are sharp folds between the notes. Kelly lists no sheets for the bank, just ten single notes. Most of the public appearances on record are for the considerably more common Large Size notes. ***($1,000-1,500)***

1923 **Ch.10935.** Milltown. **First NB. $10.** 1929 T1. **Fr.1801-1.** No.E000637A. **Fine.** Tight across the top, and could be a bit brighter, but undamaged. Although chartered in 1917 this bank issued only Small Size notes, with a dozen in the census today. ***($100-150)***

1924 **Ch.E3572.** Passaic. **Passaic NB. $20.** 1902 Plain Back. **Fr.652.** No.K944823R/24021. B. **G-VG.** Rather soiled, and the signatures are faint, but there are no major problems. By far the rarest of Passaic's banks, with **just eight notes in the census.** They must be closely held, as there have been **only three public offerings in over fifty years** - the most recent was Christie's sale of the Saffin collection twenty years ago! ***($200-300)***

D. **Fine.** A solid note with a couple of tight margins, but no pinholes, splits, etc. Though the overprint is a trifle light, the brown pen signatures are bold and dark. A **very rare** bank for which Kelly lists only three notes known - the First Charter $5, $10, and $20 notes firmly entrenched in the preeminent Westchester County collection. The Gengerke records show **only one ever offered publicly -** the above mentioned $10, which was lot 2616 in the Grinnell sale in 1945. According to our consignor, this note was acquired by a teller who later became president of People's Westchester Savings. Now some lucky collector will be able to add this prize to his collection. ***($4,000-6,000)***

On the east bank of the Hudson River in Westchester County, the town was founded on the site of the Manhattan Indian village of Nappeckamack, purchased by the Dutch West India company. In 1646 a land grant gave the area to Adriaen van der Donck, who was known as "De Jonkheer," a courtesy title that translates roughly as "young lord" or "gentleman." It didn't take long for De Jonkheer's land to become "Yonkers."

Kelly lists **only two Large notes known,** not at all surprising as the outstanding Large Size balance is a minuscule $940. The only other one we know of (also a Plain Back $10) was a scruffy looking VG that realized $467.50 three years ago. This clean, attractive example should do considerably better. ***($600-900)***

2125 **Ch.4011.** *East Stroudsburg.* **East Stroudsburg NB. $5.** 1929 T2. **Fr.1800-2.** No.A000453. **VG,** but more soiled than usual, particularly the left 40% of the note. ***($75-125)***

2126 **Ch.E3335.** *Elizabethtown.* **Elizabethtown NB. $10.** 1902 Plain Back. **Fr.624.** No.V985172B/9438. D. A particularly nice **AU,** with just a faint hard to find center fold. Bright and crisp, with good margins and signatures. A rare one-bank town in Lancaster County's Amish countryside. Kelly lists **just five notes known with this title.** We've traced four, and this is the finest by a wide margin. ***($750-1,000)***

2127 **Ch.E5563.** *Elizabethville.* **First NB. $10.** 1882 Value Back. **Fr.577.** No.U838201/3153. D. **Fine.** Perfectly centered, with bold pen signatures. A particularly pleasing note that looks a grade better on the face. Another **rare** one-bank town, with **just five Large notes known,** plus a half dozen Small notes. ***($750-1,000)***

2128 **Ch.4923.** *Ephrata.* **Farmers NB. $20.** 1929 T1. **Fr.1802-1.** No.E000017A. **Fine.** Centered high and left, with moderate soiling on the back, but the face looks quite nice. A scarce bank from the popular Amish country of Lancaster County. ***($200-250)***

2130 **Ch.6453.** *Etna.* **First NB. $5.** 1902 Plain Back. **Fr.598.** No.13776/13776. I. **Fine,** trimmed slightly into the design at the top. Just eight Large notes are known of the meager $2,760 outstanding. ***($200-300)***

2132 **Ch.611.** Gettysburg. **Gettysburg NB. $5.** 1929 T2. **Fr.1800-2.** No.A002715. **VG-F.** Well used, but solid for the grade, with no significant problems. ***($80-120)***

2133 **Ch.5501.** Grove City. **Grove City NB. $20.** 1929 T1. **Fr.1802-1.** No.E000664A. **VG-F.** Light soiling, mainly on the back; **Ch.3893.** Hazleton. **First NB. $20.** 1929 T1. **Fr.1802-1.** No.B000514A. **Fine; Ch.4714.** Pottstown. **Citizens NB & TC. $20.** 1929 T1. **Fr.1802-1.** No.D000588A. **F-VF.** All are problem-free, with good margins. Rare Herndon National Bank

2134 **Ch.13982.** Herndon. **Herndon NB. $5.** 1929 T2. **Fr.1800-2.** No.A002129. **VF-EF,** clean, with good margins. This late chartered bank issued a total of only 2,730 notes - all $5 Type 2; not surprisingly, **Kelly lists just three known.** The Gengerke records show just four public appearances over the past half century, the latest being the number 1 note, sold two years ago. This new one brings the census to four. ***($600-800)***

A tiny community 25 miles up the Susquehanna River from the state capital.

2135 **Ch.11413.** Hooversville. **Citizens NB. $20.** 1929 T1. **Fr.1802-1.** No.A000020A. **F-VF.** Tight at the right, but clean and pleasing for the grade. A **rare** bank that is seldom offered. 2136 **Ch.31.** Huntingdon. **First NB. $5.** 1929 T1. **Fr.1800-1.** No.D002800A. **F-VF.** Nicely centered and problem-free; **$10.** 1929 T1. **Fr.1801-1.** No.D000106A. **Fine.** Also well centered, but with some foxing in the portrait. [2] ***($100-150)***

2138 **Ch.51.** Johnstown. **First NB. $10.** 1929 T1. **Fr.1801-1.** No.C011422A. **VG-F.** Has the look of a VG or a bit better, but all the solid problem-free attributes of a full Fine; **Ch.E4879.** Warren. **Warren NB. $5.** 1902 Plain Back. **Fr.603.** No.V656680E/54699. G. **VF** or a bit better, with good margins and bold stamped signatures. A very pleasing note that you'll not want to upgrade. [2] ***($150-225)***

2140 **Ch.6350.** Le Raysville. **First NB. $20.** 1902 Plain Back. **Fr.660.** No.N247907H/515. A. **VG,** tight at the bottom right. A bit soiled, with trivial tiny margin problems, but the signatures are still strong and there is no major damage. **Kelly reports just three Large notes known** of the **$990 outstanding.** The only other Large note we know of was a $5 in similar condition that brought $350 in 1990. Very few notes, Large or Small, are ever offered. Over the past half century we've noted only four auction appearances and a few fixed price offerings. From the **"Fourth Charter Period,"** dated Jan. 20, 1922. ***($600-800)***

2141 **Ch.655.** Lebanon. **Valley NB. $5.** Orig. Series. **Fr.397.** No.U506778/2757. C. **Fine.** Tightly trimmed all around, though never actually into the engraving. Bright, with vivid color and bold signatures. **Kelly lists just five notes known** for this rare bank, liquidated in 1920. Those five include notes in all three charter periods, and a $2 in the Smithsonian and forever off the market. Only two have been auctioned since the early 1980s - both third charter notes. ***($1,000-1,500)***

2142 **Ch.13494.** Lemoyne. **West Shore NB. $10.** 1929 T1. **Fr.1801-1.** No.C001641A. A well margined **EF,** clean, with no defects. ***($100-150)***

2144 **Ch.8921.** Luzerne. **Luzerne NB. $10.** 1902 Plain Back. **Fr.626.** No.A967583K/17371. E. **VG-F,** and close to the higher grade, but trimmed a bit into the design at the top. Good stamped signatures. Readily available in Small Size, but **Large notes are rare, with just seven reported.** ***($200-300)***

2145 **Ch.567.** Mahanoy City. **First NB. $20.** 1882 Brown Back. **Fr.494.** No.V440640/7032. A. **VG.** There are a couple of pinholes, and soiling typical of the grade, but the edges are strong and the signatures bold, and the overall appearance is more than acceptable. ***($350-500)***

2146 **Ch.E3147.** Malvern. **NB. $5.** 1902 Red Seal. **Fr.587.** No.A784796/972. C. **VG.** The way the note was folded, half the face across the center shows wallet soiling, with small holes at the fold junctures, but the margins are decent and the brown pen signatures strong. A very scarce and small one-bank community in Chester County. **Kelly lists four Large notes known,** and we've traced only two Brown Backs, two Plain Backs, and this Red Seal. ***($1,000-1,500)***

What more can we say? ***($500-750)***

2150 **Ch.2222.** McKeesport. **First NB. $50.** 1929 T1. **Fr.1803-1.** No.C000256A. **VG-F.** Tight at the bottom, with a bit of soiling (mostly on the back). ***($175-250)***

2151 **Ch.326.** Mechanicsburg. **Second NB. $5.** 1929 T1. **Fr.1800-1.** No.B000467A. **EF.** Tight at the left, but bright, clean and crisp. Scarce, with just a dozen Small notes reported. ***($150-250)***

2152 Ch.8311. Midland. **First NB. $10.** 1929 T2. **Fr.1801-2.** No.A002365. **VF.** Clean, with margins that are slightly irregular, but not impinging on the design. ***($125-175)***

Unique With This Title

2153 Ch.9678. Mifflin. **Peoples NB. $5.** 1902 Plain Back. **Fr.601.** No.1769/1769. C. **VF,** just a bit tight at the bottom left. Bright, with light but legible signatures. A **very rare** bank with either its Patterson or later Mifflin title. Kelly lists just two Large notes known with the first title and **one known with this title.** A search of the Gengerke sales records shows a few fixed price lists and four auction appearances for the bank. Three of the four were Small Size notes - the fourth (23 years ago) was another second title $5 in similar condition, probably this note. ***($1,500-2,000)***

2154 Ch.9552. Mildred. **First NB. $5.** 1929 T1. **Fr.1800-1.** No.F000479A. **EF.** Centered low and left, but bright, clean and crisp. A nice rare first name bank with just two Large and **six Small notes known.** ***($250-350)***

A tiny town in the dead center of the state, and a great rarity for Centre County - Kelly's Large Size census list **just two notes known with the first title** and one known with the second title. We've sold two second title Large notes in the past few years, but this is the first note we've ever had with the this title. Combining both titles, in both Large and Small Size, we've not seen a finer Millheim note than this one. ***($750-1,000)***

2160 **Ch.E2530.** *New Holland.* **New Holland NB. $5.** 1882 Value Back. **Fr.574.** No.U32336/7674. C. **VG-F.** Faintly toned, with slightly blurred signatures. The edges are a bit soft here and there, but there are no serious splits. **Kelly lists just six Large notes known for this bank,** as do we. Three are Fine, two a half grade lower, and one a half grade higher. ***($600-800)***

2161 **Ch.60.** *Newville.* **First NB. $5.** 1929 T2. **Fr.1800-2.** No.A004770. **VF.** Close at the top left, but otherwise quite nice. ***($125-175)***

2163 **Ch.E7005.** *Northumberland.* **Northumberland NB. $20.** 1902 Plain Back. **Fr.650.** No.M979690H/6798. B. **VG.** A bit close at the bottom, with a central pinhole, but the stamped signatures are strong. Quite scarce in Large Size, with **only six notes known** of the $3,080 outstanding. ***($200-300)***

2164 **Ch.5327.** *Oakdale.* **First NB. $5.** 1902 Plain Back. **Fr.607.** No.30128/30128. D. **Fine.** Trimmed into the design across the top, with faint but legible signatures. A scarce Allegheny County bank, with eight Large notes in the census. Most are in the VG to VF range, with only a couple above or below that. ***($200-275)***

2167 **Ch.E9344.** *Penbrook.* **Penbrook NB. $10.** 1902 Date Back. **Fr.618.** No.B129575/1142. B. A nice looking **Fine,** with good margins all around, and bold brown pen signatures. A **very rare** Dauphin County bank near Harrisburg, liquidated in 1920 after only eleven years of operation. **Kelly lists just two notes known.** The Gengerke sales records show **only one public sale in sixty years** - a $10 Date Back in identical condition was sold by Hickman & Oakes in 1981. That note was described as having a half inch tear at the bottom of the center fold. This is probably that note, as a strong glass reveals a superbly repaired split at that position (although a 3mm margin split left of it has curiously not been touched). Regardless of whether this is the 1981 note or its twin, this is a very rare opportunity for the advanced Pennsylvania specialist. ***($1,000-1,500)***

2168 **Ch.E542.** *Philadelphia.* **Corn Exchange NB. $5.** 1902 Date Back. **Fr.590.** No.A304715B/61148. H. **VF-EF.** Clean and bright, with good margins and bold stamped signatures. ***($150-250)***

2171 **Ch.E2278.** Pittsburgh. **Duquesne NB. $20.** 1882 Date Back. **Fr.552.** No.E362030/11056. B. **Choice Uncirculated,** gem but for very faint teller handling. Deep embossing, with the light but fully legible purple signatures usually found on this bank. A famous bank for its hoard of pretty Date Backs, making this a great choice for a type note. ***($1,000-1,500)***

Pittsburgh was founded in 1758 and eventually named for William Pitt, who became Prime Minister of Britain in 1783 at the age of 24. Pitt was one of the earliest supporters of the American Colonies.

Clean, with good margins and no problems. [2] ***($125-175)***

Pottsville was a hotbed of activity by the Molly Maguires, a violent secret society of Irish coal miners in the 1860s and 1870s. Six members were hanged in Pottsville in 1877, in part on evidence gathered from undercover work by a Pinkerton detective who had infiltrated the society.

2176 **Ch.4887.** Reading. **Reading NB & TC. $10.** 1929 T2. **Fr.1801-2.** No.A006622. Technically **EF-AU** due to a couple of extremely faint soft folds, but it looks and feels so much better that it's almost insulting to grade it that way. Decent margins, with bold original embossing. ***($75-125)***

2177 **Ch.7090.** Rices Landing. **Rices Landing NB. $5.** 1929 T1. **Fr.1800-1.** No.A000355A. **Fine,** with pinholes at the left, and some red graffiti by the right serial number. Just a dozen notes in the census, and aside from the Unc. number 1 sheet sold by Kagin's forty years ago, they all seem to be fairly low grade. ***($200-300)***

2178 **Ch.5945.** Ridgway. **Ridgway NB. $5.** 1902 Plain Back. **Fr.608.** No.20543/20543. D. **VF** or better on the face, the back just slightly lower. Bright, with decent margins and bold stamped signatures. ****($200-300)***

2180 **Ch.5216.** Schuylkill Haven. **First NB & TC. $10.** 1929 T2. **Fr.1801-2.** No.A010399. **AU,** with a fold in one margin and a few short corner folds. Good margins, with strong embossing and a pleasant appearance. ***($150-250)***

A **very rare** Clarion County bank, unknown with its first title, and only two Large and **four Small notes known with this title.** The Gengerke listing of 33 public sales is a bit misleading in this case, as most of the sales were repeat multiple fixed price list offerings by three firms. ***($300-400)***

2188 **Ch.E2018.** Spring City. **NB of Spring City. $10.** 1902 Plain Back. **Fr.628.** No.X649028B/10247. B. **EF.** A bit close at the bottom, but a simply stunning note nonetheless. We've traced seven with this title, and this is **easily the finest known for *either* title** - not just technically, but visually as well! ***($500-750)***

2189 **Ch.6444.** Stewartstown. **Peoples NB. $20.** 1929 T1. **Fr.1802-1.** No.A000073A. **VG-F.** Close at the right end, but clean and solid for the grade. Scarce, with eleven Small notes in the census. ***($100-150)***

2190 **Ch.42.** Strasburg. **First NB. $10.** 1929 T1. **Fr.1801-1.** No.D000636A. **Choice Uncirculated.** A gem but for the slightly irregular trimming. From the heart of popular Lancaster County's Amish community. The more "common" of the town's two banks, with **five Small notes known** according to Kelly. We've traced four, of which this is the finest. ***($400-600)***

2191 **Ch.6739.** *Summerville.* **Union NB. $50.** 1929 T1. **Fr.1803-1.** No.A000100A. **VF+,** with excellent margins and a nice appearance. The only bank in this small Jefferson County community, with just **six Small notes in Kelly's census.** This is the second finest of the six we are aware of. ***($500-700)***

2192 **Ch.6109.** *Swissvale.* **First NB. $5.** 1902 Plain Back. **Fr.607.** No.46043/46043. B. **Fine,** with a few small light brown stains at the bottom. Good stamped signatures. Very scarce, with **just seven Large notes in Kelly's census.** After the 1902 Date Backs this bank issued only $5 notes. This one is from the so-called **"Fourth Charter Period,"** dated June 7, 1921. ***($225-325)***

2193 **Ch.10211.** *Thompsontown.* **Farmers NB. $10.** 1902 Plain Back. **Fr.628.** No.2735/2735. A. **VF,** and looks at least a full grade better. An **extremely rare** one-bank town, with **just $880 in Large notes outstanding.** Kelly lists just two Large notes known, and we have traced only four. This is **the finest of the four,** just edging out one sold by Stack's last year. While technically both are VF, this one has better margins and stronger signatures. In fact we cannot find even the slightest thing negative to say about this pretty note! ***($750-1,000)***

2194 **Ch.5038.** *Tionesta.* **Forest County NB. $50.** 1929 T1. **Fr.1803-1.** No.C000160A. **VF.** Looks a grade higher on the face, with good margins. **Very rare,** with just four Large and **three Small notes in Kelly's census.** Our census shows six Small notes, and this is the finest of the six. ***($700-900)***

2195 **Ch.E2337.** *Towanda.* **Citizens NB. $20.** 1882 Date Back. **Fr.552.** No.H811098/3480. B. **Fine+.** Trimmed slightly into the design at the bottom, but clean and undamaged, with fully legible signatures. ***($200-300)***

2196 **Ch.8849.** *Troy.* **Grange NB of Bradford County. $20.** 1929 T1. **Fr.1802-1.** No.E000155A. **VG-F.** The face is quite decent, but the back shows some soiling, particularly about the horizontal center fold. Kelly lists just three Large and **five Small notes known.** ***($300-450)***

2197 **Ch.681.** *Uniontown.* **NB of Fayette County. $50.** 1929 T1. **Fr.1803-1.** No.B000277A. **EF.** Clean and crisp, with generally good margins. The Small Size issuance for this bank consisted solely of $50 and $100 notes, with a dozen now accounted for. ***($400-500)***

2198 **Ch.5832.** *Waynesboro.* **Citizens NB. $5.** 1902 Plain Back. **Fr.607.** No.83621/83621. F. **VF+.** A bit close at the bottom, but with substantial crispness and good stamped signatures. Kelly lists ten Large notes known. ***($150-225)***

2199 **Ch.13873.** Waynesburg. **Union NB. $5.** 1929 T2. **Fr.1800-2.** No.A024130. **EF.** Good margins, and clean but for a small black smudge at the top of the back. ***($125-175)***

First Large Size Note Auctioned

2200 **Ch.E10214.** Weissport. **Weissport NB. $5.** 1902 Date Back. **Fr.594.** No.Z455476A/1099. C. **VG.** Well worn, with some soiling and no signatures, but no splits, or other significant damage either. **Kelly lists just two notes known of the $1,110 in Large size outstanding,** a figure we concur with. The only other Large note known is Uncirculated, but that won't do you much good - it's permanently impounded in the Smithsonian Institution! Gengerke lists only four prior auction appearances for this bank in fifty years, and all were for Small Size notes. ***($600-900)***

2201 **Ch.8498.** Wellsville. **Wellsville NB. $10.** 1929 T1. **Fr.1801-1.** No.B000331A. **VF,** with just a small trace of rust on the back. **Kelly lists just two Large and three Small notes known,** to which we can add only two additional Small notes. The frequency of public appearances of this bank comes primarily from a long string of fixed price lists back in the 1980s. ***($350-450)***

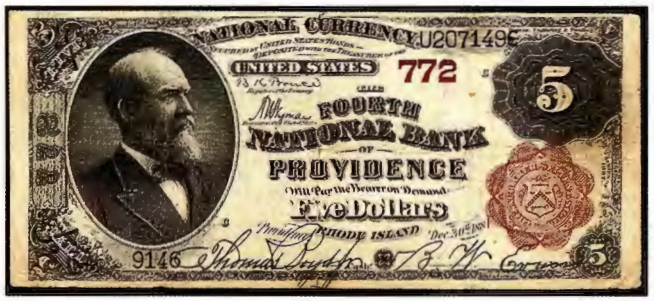
2202 **Ch.5265.** Wilkinsburg. **Central NB. $20.** 1902 Plain Back. **Fr.659.** No.14140/14140. A. **VF,** trimmed slightly into the design across the top. Clean, with light and blurred purple stamped signatures. **Very scarce,** with **just four Large notes in Kelly's census.** We've traced five, of which **this is the finest known.** ***($300-400)***

2203 **Ch.1464.** Williamsport. **Williamsport NB. $100.** 1929 T1. **Fr.1804-1.** No.C000078A. **VF,** with slightly irregular margins. A clean, pleasing note that looks a grade better. From the Brown Backs on this bank issued no notes smaller than the $50. **Kelly lists seven Small notes known with this (the third) title.** ***($300-400)***

2204 **Ch.E4207.** Yardley. **Yardley NB. $10.** 1902 Plain Back. **Fr.626.** No.Y694910B/10881. B. **Fine,** but trimmed into the design at the bottom, with soiling and blurring in the signature areas. The only bank in Yardley to issue Large Size, with **only nine in the census.** ***($250-350)***

2205 **Ch.8165.** Youngsville. **First NB. $10.** 1902 Plain Back. **Fr.625.** No.8174/8174. E. **VG,** tight at the top, with blurred but legible stamped signatures. A rare one-bank town, with **just three Large notes known** of the $3,920 outstanding. This one isn't quite as nice as the $20 we had a few years ago, but with only three known it will have no trouble finding a welcoming home. ***($350-450)***

Rhode Island



2206 **Ch.772.** Providence. **Fourth NB. $5.** 1882 Brown Back. **Fr.467.** No.U207149/9146. C. **F-VF.** Attractive, with bold stamped signatures, but with a short repaired edge split at the bottom. A scarce bank, liquidated in 1907, with **eleven notes known.** One of the more striking bank title layouts to be found on $5 Brown Backs. ***($400-600)***

2207 **Ch.N1131.** Providence. **Merchants NB. $5.** 1902 Plain Back. **Fr.598.** No.V289615B/104599. L. **VF.** A bit close at the bottom, but looks a full grade better. ***($100-150)***

2208 **Ch.N1131.** Providence. **Merchants NB. $10.** 1902 Plain Back. **Fr.624.** No.R960276B/59240. G. **EF.** Visually a twin for the last - a bit close at the bottom, with the same signatures, but this one has far fewer folds. ***($150-200)***

2209 **Ch.948.** Providence. **Phenix NB. $5.** 1902 Plain Back. **Fr.598.** No.M705971H/64710. L. **VG.** Tight at the top, and rather soiled, but with good stamped signatures and no damage. ***($80-120)***

2210 **Ch.1302.** Providence. **Providence NB. $10.** 1902 Plain Back. **Fr.624.** No.96244/96244. K. **VF,** but looks a grade better on the face. ***($125-150)***

2211 **Ch.N5925.** Providence. **United NB. $20.** 1882 Date Back. **Fr.555.** No.K669153/10875. B. **VF,** but looks and feels a full grade higher. A bright, clean and crisp note with bold signatures. Tight at the top, but the other three margins are particularly broad. The extreme bottom edge exhibits a slight bit of toning. This bank issued only Brown Backs and Date Backs before being liquidated in 1916. ***($400-500)***

2212 **Ch.1035.** Slatersville. **First NB of Smithfield. $10.** 1929 T1. **Fr.1801-1.** No.D001155A. **Fine,** with decent margins, and no worse problem than a solitary pinhole. ***($250-325)***

South Carolina

2213 **Ch.2044.** Charleston. **South Carolina NB. $20.** 1902 Plain Back. **Fr.654.** No.256/256. A. **VF-EF.** Trimmed slightly into the design at the bottom, but with bold stamped signatures. ***($125-150)***

2214 **Ch.2044.** Charleston. **South Carolina NB. $5.** 1929 T1. **Fr.1800-1.** No.E008470A. **VG,** but close at the top right, with a bit more soiling than usual, and a few pinholes; **Ch.6871.** Columbia. **National Loan & Exchange Bank. $5.** 1929 T1. **Fr.1800-1.** No.C009231A. **Fine,** but trimmed slightly into the design at the top. [2] ***($100-150)***

2215 **Ch.10663.** Chester. **Peoples NB. $5.** 1929 T2. **Fr.1800-2.** No.A014137. **VF** or a bit better, with good margins. The face is particularly clean and pleasing. Although chartered in 1914, this bank issued only 1929 $5 notes. ***($125-150)***

2216 **Ch.11499.** Greenville. **Woodside NB. $5.** 1902 Plain Back. **Fr.606.** No.35667/35667. D. **VG-F** in terms of wear, but the bottom edge is just a trifle rough in spots, with a trivial split or two. **Kelly lists just six Large notes known,** plus two small notes. The Gengerke records are interesting - while there have been 27 total appearances, fixed price offerings by a few dealers decades ago account for 24 of the 27 sales! Only three have ever appeared at auction, the most recent in John Hickman's 1990 Memphis sale. ***($500-750)***

2217 **Ch.10660.** Sumter. **NB of South Carolina. $5.** 1929 T2. **Fr.1800-2.** No.A033063. **Choice Uncirculated,** with original embossing sharp enough to cut yourself on. A full gem but for the close right margin. ***($150-200)***

South Dakota

2218 Ch.13460. *Britton.* **First NB. $5.** 1929 T1. **Fr.1800-1.** No.D000394A. **Fine,** but with rather unsightly brown soiling over much of both sides, and slight edge damage at both top and bottom. ***($75-100)***

2219 Ch.12877. *Clear Lake.* **Deuel County NB. $5.** 1929 T2. **Fr.1800-2.** No.A004711. **Fine,** and clean, with good margins, but the upper right margin has a small (3mm) rust spot. Very scarce, with just nine Small notes in the census. ***($150-250)***

2220 Ch.W9693. *Dell Rapids.* **Home NB. $5.** 1902 Plain Back. **Fr.601.** No.N798886E/6290. C. **About Fine,** but washed to remove some soiling, mostly at the right. The signatures, consequently, are nearly gone. ***($100-125)***

2221 Ch.W8781. *Huron.* **City NB. $20.** 1902 Plain Back. **Fr.652.** No.B512140D/4303. B. **VG,** trimmed in at the top. Well worn, with a few pinholes, but the pen signatures are dark and bold. **Kelly lists only two Large notes known.** This one is similar in grade to one sold by Stack's a few years ago for $1,450. That note accounts for the only two auction appearances this bank has had in fifty years! The note we offer here is a bit more worn, but the signatures are much better. ***($1,000-1,500)***

2222 Ch.9445. *Yankton.* **Dakota NB. $50.** 1929 T1. **Fr.1803-1.** No.A000153A. **EF,** and a particularly nice, well margined note that looks a grade better. A scarce bank that issued only $50 and $100 notes throughout its life. **Kelly lists just seven Small notes known.** We've traced five, of which this is easily the finest. ***($700-900)***

From 1861 to 1883 Yankton was the capital of the Dakota Territory.

Tennessee

2223 Ch.S1606. *Chattanooga.* **First NB. $5.** 1902 Plain Back. **Fr.599.** No.Z964426B/68240. K. **Choice EF.** Tight across the bottom, but bright and clean, with decent embossing. ***($125-150)***

2224 Ch.S6930. *Dickson.* **First NB. $20.** 1902 Plain Back. **Fr.650.** No.U23744B/3456. B. **VG** in terms of wear, but though washed at one point, this is still a seriously dirty note. The signatures are just about gone, and the edges have small problems. Offsetting the grade is the rarity - Kelly lists **only four Large notes known,** and for Large and Small combined there have been only two auctions and three fixed price offerings of this bank in over fifty years. The only one sold in the past seven years was a Small Size $20 in the Memphis sale last month. ***($500-750)***

2225 **Ch.S5888.** Johnson City. **Unaka NB. $20.** 1882 Date Back. **Fr.555.** No.R50465/5917. B. **Fine.** Centered a bit high, with light soiling and a pinhole, but undamaged, with attractive bright light blue signatures. Not as nice as the $10 Value Back we sold two years ago, but not a bad looking note by any means. ***($600-900)***

2226 **Ch.6236.** Johnson City. **Unaka and City NB. $5.** 1902 Plain Back. **Fr.609.** No.42388/42388. D. **VF-EF.** Though the signatures on this note disappeared eons ago, the note is still very attractive, with vivid color, bright paper, and good margins. A pleasing **"Fourth Charter Period"** note, dated April 12, 1922. ***($250-350)***

This unique title comes from mile-high Mount Unaka in a range of the Appalachian mountains in Unicoi and Carter Counties along the North Carolina border in eastern Tennessee.

2227 **Ch.2049.** Knoxville. **East Tennessee NB. $10.** 1929 T1. **Fr.1801-1.** No.B029666A. **VF-EF.** The side margins might be a tad better, but this is a nice fully original note, with good embossing; **Ch.13349.** Memphis. **Union Planters NB & TC. $5.** 1929 T2. **Fr.1800-2.** No.A039267. **VG.** Well worn, but decently centered, with no worse problem than a few pinholes; **Ch.3032.** Nashville. **American NB. $5.** 1929 T1. **Fr.1800-1.** No.E066531A. **F-VF.** Clean but for a few pinpoint purple marks on the back, of little consequence. [3] ***($175-250)***

2228 **Ch.4648.** Knoxville. **Holston-Union NB. $5.** 1902 Plain Back. **Fr.602.** No.6647/6647. A. **VG-F,** but with some blotchy light brown soiling/foxing. **Rare** with the second title, Kelly listing just **six Large notes known** vs. 37 for the first title. ***($175-225)***

2229 **Ch.S10401.** Knoxville. **Union NB. $5.** 1902 Date Back. **Fr.596.** No.U238702A/4515. C. **VF,** but looks a full grade better on the face. Bright, with excellent color and bold stamped signatures. ***($100-125)***

2230 **Ch.8673.** Lenoir City. **First NB. $5.** 1902 Plain Back. **Fr.600.** No.Z585173H/9662. F. **VG,** but quite soiled, particularly on the back, with no signatures, and missing a quarter inch of the upper left corner. Not the greatest condition, but rare, with just eight Large notes in the census, and seven public sales on record. ***($400-600)***

2231 **Ch.8025.** Morristown. **Hamblen NB. $10.** 1929 T1. **Fr.1801-1.** No.B000130A. **VF-EF,** but tight at the top and right. Kelly lists **just nine notes known with this title,** and just as rare with the first title. This one is as nice as any we've seen. ***($350-450)***

A **rare** bank that closed in 1921 after only ten years of operation. **Kelly lists only five notes known. Only two notes on this bank have ever been auctioned -** one just a grade better in our June 2000 Memphis Sale, and this note, which last appeared in Hickman Auctions' 1991 Memphis Sale. Those two auctions and an ad in the June 1995 Bank Note Reporter constitute the only three public sales of this bank in the past sixty years.

Not pretty, but unquestionably a **very rare** bank, liquidated in 1921 after only two years of operation, with **only two notes in the Kelly census.** The Gengerke records show **only two appearances in over fifty years.** Both were for the same note, a VG $20 offered at auction in 1997 and 2001.

Extremely Rare Electra National Bank Note

2240 **Ch.S10050.** *Electra.* **First NB. $10.** 1902 Plain Back. **Fr.628.** No.Y223603B/2362. B. **Fine,** with some light soiling on the back, but a wholesome note, with no pinholes or splits. This small town on the Red River a few miles from the Oklahoma border had three town names in its history. In 1902 it was finally renamed after the daughter of W.T. Waggoner (the Waggoners had founded the town fifty years earlier). Surprisingly, this oil-rich boom town had but one bank, which bowed out in 1929 after issuing a few 1902 Date Backs and Plain Backs. Kelly reports **just two notes known,** and the Gengerke records show **just two public appearances in history.** A $20 Date Back was offered in Lyn Knight's 1997 sale of the Everson Collection (described there by Lyn as "***one of the neatest notes in the sale***"). That note was re-offered in Heritage's January 2001 sale of the "Texas Collection," where it realized $4,600. Both that note and the $10 offered here are fully original, but lack signatures, and both are tight across the top. For the specialists who twice missed the Everson note, opportunity is knocking once again - perhaps for the last time! ***($2,500-3,500)***

2241 **Ch.1644.** *Houston.* **First NB. $10.** 1902 Plain Back. **Fr.625.** No.46648/46648. B. **Fine.** Tight at the bottom, but the stamped signatures are good, and there are no defects. ***($100-125)***

2242 **Ch.13683.** *Houston.* **First NB. $5.** 1929 T2. **Fr.1800-2.** No.A060564. A classic **Fine,** with a particularly broad margin and pleasing appearance; **Ch.3785.** *Texarkana.* **Texarkana NB. $5.** 1929 T1. **Fr.1800-1.** No.D013099A. **VG-F.** Centered a trifle low and left, but evenly worn, with no defects. [2] ***($125-175)***

2243 **Ch.10152.** *Houston.* **South Texas Commercial NB. $5.** 1929 T1. **Fr.1800-1.** No.C022116A. **EF-AU.** Nice and original, with good embossing, though the margins could be just a touch better. ***($75-100)***

2244 **Ch.10152.** *Houston.* **South Texas Commercial NB. $20.** 1929 T1. **Fr.1802-1.** No.B001357A. **EF+.** Nicely centered, with just a tiny (2mm) brown spot by the title. ***($70-90)***

2245 **Ch.4101.** *Marshall.* **Marshall NB. $20.** 1929 T1. **Fr.1802-1.** No.E000085A. **VF-EF.** Centered low, but a clean, pleasing example. ***($150-200)***

During the early part of the Civil War (then known locally as the Confederate War) Marshall was the seat of the exiled Confederate government of Missouri.

2246 **Ch.5850.** *Mart.* **First NB. $10.** 1929 T2. **Fr.1801-2.** No.A001290. **Fine.** Clean, with good margins, and just a couple of small pinholes. A scarce McLennan County bank, with six Large and **nine Small notes in the census.** ***($250-350)***

2247 **Ch.7674.** *Mount Vernon.* **Merchants & Planters NB. $10.** 1929 T1. **Fr.1801-1.** No.D000311A. **F-VF.** Some brown soiling is present, but the margins are good and there is no damage. A small town between Dallas and the Arkansas border. This is the scarcer of Mt. Vernon's two banks, with **just three Small notes in Kelly's census.** The Gengerke records show **only five public appearances over fifty+ years** - all accounted for by two Large notes and one Small note, and all were within a grade of each other. ***($600-900)***

2248 **Ch.S3989.** *Sulphur Springs.* **City NB. $10.** 1902 Plain Back. **Fr.626.** No.V338385B/9395. B. **EF.** Close at the top left, but clean, crisp and problem-free. The light purple cashier's signature is still fully legible; the vice president's signature is dark and bold. Very scarce, with just **eight Large notes in Kelly's census.** Another EF Plain Back $10 brought $495 at our Memphis Sale last year. ***($450-650)***

2249 **Ch.S5203.** Vernon. **Waggoner NB. $10.** 1902 Plain Back. **Fr.632.** No.Y226995E/2973. B. **VG/F.** The face shows some soiling in the bottom half of the note, and the signatures are faint at best. A very scarce family named bank located at a railroad junction in Wilbarger County. **Kelly lists just five Large notes known,** and they are not often available. ***($500-750)***

2250 **Ch.10360.** Victoria. **Victoria NB. $5.** 1929 T1. **Fr.1800-1.** No.A009538A. **VG** or a bit better in terms of wear, but with more soiling than usual. ***($75-100)***

A predominantly Mexican settlement, this town was originally named Guadalupe Victoria, for the first president of the Republic of Mexico. Nevertheless, the residents supported the Texans in their fight against Santa Anna.

Utah

2251 **Ch.6036.** Brigham City. **First NB. $5.** 1929 T1. **Fr.1800-1.** No.B000515A. **Fine,** centered a bit left and high, but problem-free. This bank's issuances quite low for both Large and Small notes, and **Kelly reports only three Small notes known.** From Hickman & Oakes' November 1988 sale, where John commented "one of two known... impossible to estimate." It realized $475 there. The only other one we are aware of is a lower grade $20, sold in 1994. ***($750-1,250)***

Founded as Box Elder in 1851, the city was renamed for Brigham Young, who gave his last speech here in 1877.

Finest Known Coalville Small Size

2252 **Ch.7696.** Coalville. **First NB. $5.** 1929 T2. **Fr.1800-2.** No.A003848. **Choice Uncirculated.** Bright and crisp, with good embossing, but some teller handling at the right is a bit heavier than usual. A tougher one-bank town, with Kelly reporting eleven Small notes known. We've traced an even dozen, of which this is the finest. The only note note we know of anywhere near it is the EF sold by Stack's four years ago. ***($1,000-1,500)***

2253 **Ch.7685.** Layton. **First NB. $10.** 1929 T1. **Fr.1801-1.** No.F000272A. **VG+.** Tight at the bottom right, with some soiling, but no damage. Another **rare** one-bank town, with **just eight Small notes in the census.** The Gengerke sales records show mostly fixed price sales for this bank, with the most recent auction appearance coming in the Memphis sale seven years ago, and the last Small note auctioned was eleven years before that. ***($600-800)***

2254 **Ch.4670.** Logan. **First NB. $10.** 1929 T1. **Fr.1801-1.** No.D000977A. **VG-F,** with decent margins and no defects. A decent circulated Utah note. ***($150-200)***

2255 **Ch.10925.** Moab. **First NB. $5.** 1929 T1. **Fr.1800-1.** No.E000308A. **VG,** with moderate soiling on the left half of the face. The count is low at a dozen Small notes known, but they do appear with some regularity. The grades are another matter - we've not seen one above Fine! ***($300-450)***

2256 **Ch.6558.** Murray. **First NB. $10.** 1929 T1. **Fr.1801-1.** No.E000263A. **VG,** with a bit of graffiti left of the portrait and moderate soiling, heavier on the back. The margins are a trifle irregular, but don't impinge on the engraving. ***($200-300)***

2257 **Ch.P3537.** Nephi. **First NB. $5.** 1902 Date Back. **Fr.592.** No.X389514A/3437. H. **VG,** but not very pretty. Blotchy soiling on both sides, and tight across the top, with some edge damage. Although this bank survived through the Small Size era, is issued Large Size only, with **eight notes now in Kelly's census.** The last one sold publicly was a dirty (but undamaged) VG that brought $770 in February, 2000. ***($500-700)***

2258 **Ch.8508.** Nephi. **Nephi NB. $10.** 1929 T1. **Fr.1801-1.** No.C000222A. **EF,** but with a couple of small brown spots at the bottom. An attempt to erase one of them has disturbed the paper and engraving a bit. Kelly lists just a sheet and four single notes in the Small Size census. There have been numerous auction appearances for this bank recently, but all were Large Size notes. ***($400-500)***

2259 **Ch.2597.** Ogden. **First NB. $10.** 1929 T1. **Fr.1801-1.** No.E006948A. **F-VF.** Tight at the bottom left, but the face is clean, with a nice appearance. ***($80-120)***

First known as Brownsville, Ogden was laid out in 1850 by Brigham Young, and renamed for fur trader Peter Skene Ogden.

2260 **Ch.7296.** Ogden. **NB of Commerce. $20.** 1929 T1. **Fr.1802-1.** No.C000324A. **Fine+.** The top margin is irregularly cut, but the clean, problem-free appearance makes up for it. Kelly reports only six Large and **seven Small notes known** for the second title. The frequency of public offerings for the bank is due to a number of Large Size notes turning up lately - it's been a while since a Small note was available. ***($300-400)***

2261 **Ch.6012.** Price. **First NB. $5.** 1929 T2. **Fr.1800-2.** No.A000210. **VF.** Centered a bit left, but looks a grade higher at first sight. Nicer than the Type 1 $10 that brought $440 in our sale last November. ***($500-750)***

2262 **Ch.9403.** Salt Lake City. **Continental NB. $5.** 1902 Plain Back. **Fr.600.** No.81095/81095. G. **Fine,** with soiling in the left quarter of the note from the way it was folded and carried. Tight across the bottom, but the stamped signatures are bold. ***($150-200)***

2263 **Ch.9403.** Salt Lake City. **Continental NB. $5.** 1929 T1. **Fr.1800-1.** No.C010755A. **VG-F.** Centered slightly high, with light soiling consistent with the grade; **Ch.9403.** Salt Lake City. **Continental NB & TC. $5.** 1929 T2. **Fr.1800-2.** No.A015845. **Fine.** Similar to the last - centered high and left, with a slight bit of soiling. [2] ***($125-175)***

2264 **Ch.2059.** Salt Lake City. **Deseret NB. $5.** 1929 T1. **Fr.1800-1.** No.B006765A. **Fine.** Nicely centered, with no defects; **Ch.2059. First NB. $5.** 1929 T1. **Fr.1800-1.** No.C001011A. **VG-F.** A trifle close at the bottom, with just a bit more dirt than usual. The two titles issued by this bank. [2] ***($125-175)***

2265 **Ch.9652.** Salt Lake City. **National Copper Bank. $5.** 1929 T1. **Fr.1800-1.** No.C000871A. **VG-F,** with decent margins. ***($100-150)***

2266 **Ch.9652.** Salt Lake City. **Security NB. $5.** 1929 T1. **Fr.1800-1.** No.C004622A. **VG-F.** An evenly circulated, problem-free example. The second, scarcer title used by the National Copper Bank. ***($125-175)***

2267 **Ch.4341.** Salt Lake City. **Utah State NB. $5.** 1929 T2. **Fr.1800-2.** No.A011552. **VF-EF.** Clean and crisp, with a nice appearance. ***($150-200)***

2268 **Ch.10135.** Smithfield. **Commercial NB. $10.** 1929 T2. **Fr.1801-2.** No.A000548. **VF,** but with a couple of small holes in the portrait, one hardly detectable, but the other a bit more blatant. **Rare** nevertheless, with just three Large and **four Small notes in the census.** ***($500-750)***

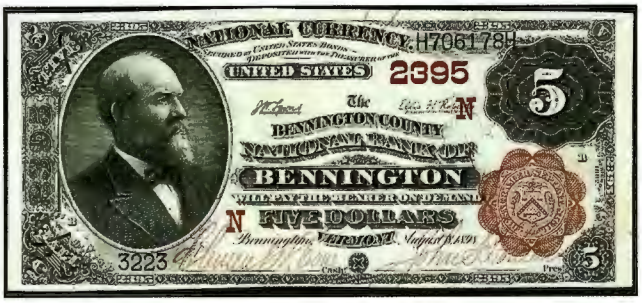
Vermont

2269 **Ch.13894.** Bellows Falls. **Windham NB. $5.** 1929 T2. **Fr.1800-2.** No.A000594. **Fine.** Light smudging at the extreme bottom edge, noticeable only because the rest of the note is so clean. A great Vermont rarity - this bank was chartered at the end of 1933 and its entire issuance consisted of 5,050 Type 2 $5 notes. **Kelly lists just three notes known,** a figure our records support. The Gengerke sales records show **just two auction appearances in six decades** - one last year and one in 1975. In addition Curt Iversen had one on a few fixed price lists in the early 1980s. ***($500-750)***

A small southern Vermont town on the New Hampshire border.

2270 **Ch.2395.** Bennington. **Bennington County NB. $5.** 1875. **Fr.404.** No.Z507723/17040. E. **EF-AU,** tight at the bottom. A particularly pretty note that will please anyone. The paper is bright, and the colors vivid, with bold black pen signatures. First charter notes are so often a bit toned or subdued, but this is a lovely exception, and is one of the nicest First Charter $5 notes for the state. ***($1,750-2,500)***

Bennington was chartered as a town in 1749, and settled in 1861, when it was named for New Hampshire governor Benning Wentworth. In 1770 Ethan Allen organized the Green Mountain Boys in Bennington.



2271 **Ch.N2395.** Bennington. **Bennington County NB. $5.** 1882 Brown Back. **Fr.477.** No.H706178H/3223. B. Technically a nice **VF+,** but worth much more - good margins, bright clean paper, vivid color, and bold signatures make this particularly attractive example of what is already one of U.S. currency's prettiest designs. ***($750-1,000)***

2272 **Ch.N2395.** Bennington. **Bennington County NB. $5.** 1882 Date Back. **Fr.537.** No.R217350/8563. F. **VF-EF,** and closer to the higher grade. Tight at the top, but very nice in all other respects, including particularly bold signatures. ***($600-900)***

Extremely Rare Vermont Value Back

2273 **Ch.N2395.** Bennington. **Bennington County NB. $5.** 1882 Value Back. **Fr.574.** No.T407201/12014. E. **VF.** Not quite up to the Date Back above, but still a clean, pleasing note, with good signatures. An **extremely rare** type for Vermont - not surprising since only three banks in Vermont issued the type! Despite extensive searching we can find only one public offering of a Vermont Value Back - a $10 on this bank sold early last year for almost $2,000. ***($2,000-3,000)***

2274 **Ch.2395.** Bennington. **County NB. $5.** 1902 Plain Back. **Fr.606.** No.U8270H/8834. C. **Choice EF.** A bit close at the top right, but easily mistaken for a higher grade. The much scarcer second title for this bank. ***($200-300)***

2275 **Ch.2395.** Bennington. **County NB. $10.** 1902 Plain Back. **Fr.632.** No.9124/9124. A. **EF.** The kind of sharp EF that sells in a snap - perfectly centered, bright, clean and crisp, with bold purple-brown stamped signatures. ***($250-350)***

2276 **Ch.2395.** Bennington. **County NB. $5.** 1929 T1. **Fr.1800-1.** No.B003613A. **VG-F.** Close at the top, with a slight bit of soiling in the center of the back; **$10.** 1929 T1. **Fr.1801-1.** No.F001628A. **F-VF,** with decent margins and no defects; **$10.** 1929 T2. **Fr.1801-2.** No.A003621. **VG.** Close at the bottom, but with none of the minor difficulties associated with the grade. [3] ***($150-225)***

2277 **Ch.2395.** Bennington. **County NB. $20.** 1929 T1. **Fr.1802-1.** No.A000454A. **EF,** fully crisp, with excellent margins. ***($80-120)***

2278 **Ch.2395.** Bennington. **County NB. $5.** 1929 T2. **Fr.1800-2.** No.A000881. **EF.** Another crisp original note, this one a bit close at the left. ***($75-100)***

2279 **Ch.N130.** Bennington. **First NB. $5.** 1902 Plain Back. **Fr.598.** No.Z21547D/17001. E. **VF+,** with nice brown signatures. ***($250-350)***

2280 **Ch.1430.** Brattleboro. **Vermont-Peoples NB. $10.** 1929 T1. **Fr.1801-1.** No.C002801A. **VG-F,** and closer to the higher grade. Centered just a bit low. ***($80-120)***

2281 **Ch.1368.** Derby Line. **NB of Derby Line. $5.** 1902 Plain Back. **Fr.598.** No.23799/23799. H. **VG.** Well used, and trimmed a bit into the design at the top, but undamaged, with good stamped signatures. Just a dozen Large notes in the census. ***($200-275)***

2282 **Ch.3482.** Saint Albans. **Welden NB. $10.** 1882 Brown Back. **Fr.482.** No.X741865/3018. B. **Fine,** with some vertical light discoloration along a fold left of center, not really obtrusive. **Kelly lists just six Large notes known,** and we've traced three Brown Backs and three Plain Backs. ***($600-800)***

Virginia

2283 **Ch.10287.** Gordonsville. **NB of Gordonsville. $10.** 1929 T1. **Fr.1801-1.** No.B000313A. **Fine.** Evenly circulated, with generally good margins. A **very rare** bank from a small town between Charlottesville and Fredericksburg. 2284 **Ch.6032.** Norfolk. **Norfolk NB of Commerce & Trusts. $10.** 1929 T1. **Fr.1801-1.** No.C008810A. **EF-AU.** Bright and crisp, with excellent margins and deep original embossing. ***($100-125)***

2285 **Ch.7709.** Petersburg. **Virginia NB. $5.** 1929 T1. **Fr.1800-1.** No.C011238A. **VG,** with a few tiny pinholes. Close at the bottom, with soiling typical of the grade, but no damage; **$10.** 1929 T1. **Fr.1801-1.** No.E015842A. **VG+.** The back has light soiling about some folds, but the face is cleaner, with decent margins. [2] ***($100-150)***

2286 **Ch.4071.** Pulaski. **Pulaski NB. $20.** 1929 T1. **Fr.1802-1.** No.F000295A. **Good,** but with weak edges and some serious soiling and muddy light green discoloration. ***($50-70)***

2290 **Ch.9012.** Wytheville. **First NB. $10.** 1929 T1. **Fr.1801-1.** No.B001461A. **F-VF,** with nothing worse than a light smudge or two, hardly noticeable. The scarcer **first title** for this bank - Kelly lists **just four Small notes known** vs. thirteen for the second title. ***($300-400)***

Washington

2291 **Ch.12704.** Aberdeen. **Grays Harbor NB. $5.** 1929 T1. **Fr.1800-1.** No.A003154A. **EF,** fresh and clean. ***($200-275)***

2292 **Ch.6074.** Port Angeles. **First NB. $10.** 1929 T2. **Fr.1801-2.** No.A001578. **Fine+,** just a trifle close at the left. ***($225-300)***

2293 **Ch.P8743.** Ritzville. **Pioneer NB. $5.** 1902 Plain Back. **Fr.600.** No.Z910325B/2889. G. **VF,** trimmed just a bit into the design at the top left. Looks a full grade better, and quite attractive, with vivid blue pen signatures. Liquidated in January 1920, with $30,000 outstanding. **Kelly reports just one note known,** and the Gengerke records show **just three public offerings over the past six decades.** This one is slightly nicer than the one in our 2001 Memphis sale, which brought $2,860. ***($2,500-3,500)***

2294 **Ch.11280.** Seattle. **First Seattle Dexter Horton NB. $10.** 1929 T1. **Fr.1801-1.** No.A030140A. **VG.** Very tight across the bottom, and just a bit dirtier than usual; **Ch.12153.** Seattle. **University NB. $5.** 1929 T2. **Fr.1800-2.** No.A003588. **F-VF.** Centered high and left, but a pleasing, original note, with good embossing; **Ch.4668.** Spokane. **Old NB & Union TC. $5.** 1902 Plain Back. **Fr.602.** No.41354/41354. D. **Fine** or so, with a few tiny pinholes at the upper left. Lightly washed at some point, and tight across the bottom. 2296 **Ch.12667.** Tacoma. **Washington NB in The City of Tacoma. $5.** 1929 T1. **Fr.1800-1.** No.B002495A. **VG** or a bit better, solid for the grade, and evenly worn. A rare bank in both Large and Small size, with either title. This is the slightly rarer second title for this bank, with **just four notes in the census.** The Gengerke listing of 60 public appearances is skewed by a long string of fixed price lists by a few dealers from the late 1960s to the early 1990s. Evidently the few notes they had available have been disbursed, as there have been only a few auction appearances since then, the most recent three years ago. ***($400-500)***

2297 **Ch.8064.** Wenatchee. **First NB. $5.** 1929 T1. **Fr.1800-1.** No.F003350A. **VG.** Solid for the grade, with good margins and no unusually heavy folds or soiling. ***($125-150)***

2307 Ch.M4305. Ripon. **American NB. $5.** 1902 Plain Back. **Fr.606.** No.M450857D/3881. C. **VF+,** but looks nicer on the face. Close at the bottom, the signatures faint but legible. Like so many banks, the politics of World War I dictated a change in this bank's name from the German National Bank. Large notes are much scarcer with this title, **Kelly listing only six known.** A few more have turned up since Kelly last went to press, but this is still one of the nicer looking ones. One just a grade nicer realized over $1,000 early this year. ***($500-750)***

Papers of these two ill-fated banks are rare, as their liquidation fell into the hands of reigns that looted the assets for their own benefit and that of their friends who got off lightly. The state's bonds, which had been sold to realize capital for both concerns, remain unpaid today, although there is evidence that some were in fact redeemed. **The state bonds are excessively rare today.** Some of these bonds, reissued and called the Holford Bonds, were expressly repudiated after the Civil War, and may still be held by Baring Brothers today.

This was a second sheet bond to be attached to the original bond with signatures etc to allow the interest to be paid in Europe. The bonds were defaulted upon in the 1830s and the liquidation of this bank and the State Bank were so ineptly and corruptly conducted that the creditors collected very little of their money. Indeed, the liquidators seem to have been more interested in feathering their own nests and relieving the banks' debtors of their obligations (for political gain) than they were in doing their plain duty.

The legislature passed an act on July 21, 1868 authorizing the state to issue bonds to secure the building of railroads in the state. Because of their irregular issue, these were repudiated in the 1870s. On October 25, 1888, the legislature authorized an act setting up the Public Debt Adjustment Company to settle the outstanding railroad related public debt. As indicated in the preceding lot, some of these obligations were in fact redeemed or at any rate partially paid off. However, it is not certain whether the state came up with any of the money for this redemption. **First we have seen or heard of.**

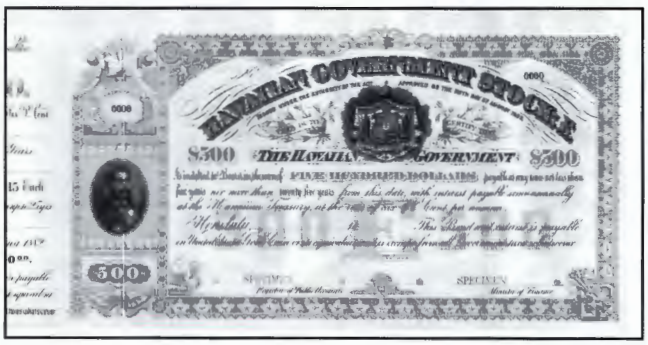
3096 **Dakota Territory.** County of Lawrence. **$500.** Refunding bond of 1883. Green and black, bronze denomination. **VF.** ***($75-125)***

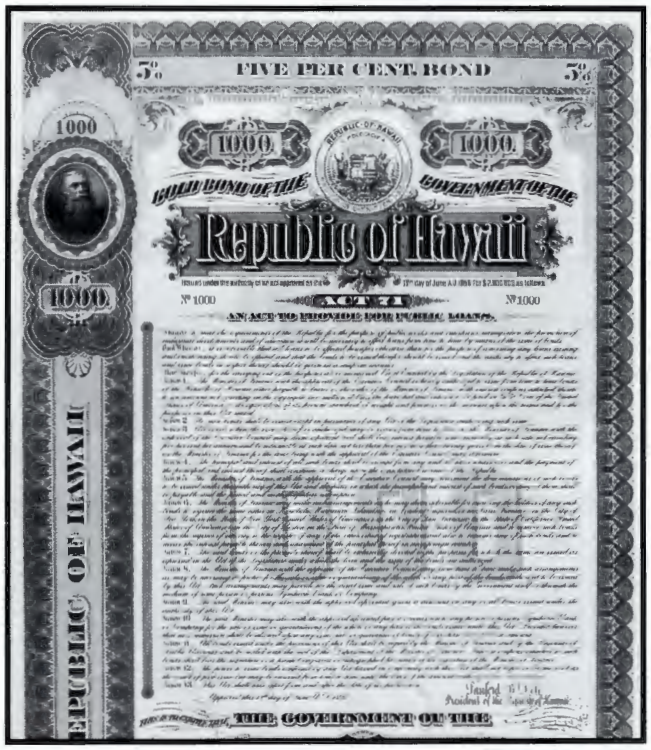


3097 **Hawaii.** Kingdom. **$500.** Act of August 5, 1882. 6% CU bond, payable in 5 years. Vermilion. **Specimen. VF,** POC, with a long fold split between the coupons and the bond proper. ***($1250-2500)***

The picture at the left is King Katakaua I; the pictures on the coupons are his sister, Queen "Lil", who was deposed in the coup of 1893. This $200,000 bond issue was part of the growing accumulation of controversies over the royal prerogative that led to the revolt.

Fewer than 20 Hawaii Kingdom and Republic bonds are known to exist.

Please note that a 10% buyer's premium will be added to each lot purchased.

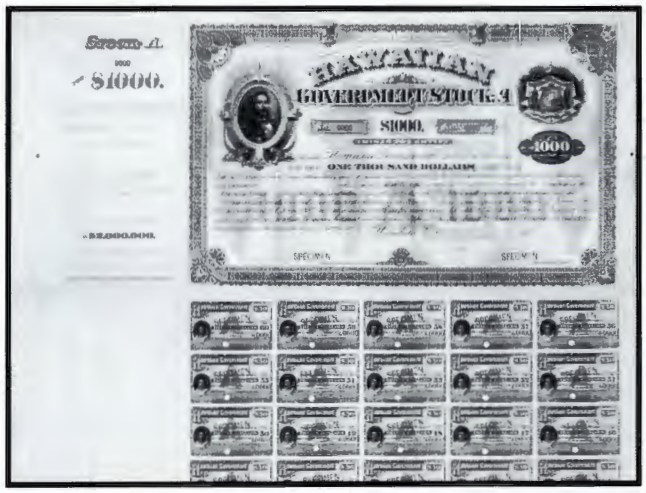


3098 Hawaii. Kingdom. **$500.** Act of September 1, 1886. CU bond, due in 30 years. Green. **Specimen. VF,** POC, Fold splitting, back fold soiling. ***($1500-2500)***

Notice the text which says that this bond was approved in council and not by the "Anglo" packed legislature, from which the majority of Hawaiians were effectively excluded either as voters or members.

3099 Hawaii. Republic. **$500.** Act of June 13, 1896. CS. **Specimen.** Brown. **VF,** POC. ***($1500-2500)***

Issued to pay for a $2 million public works program. The head at left is that of President Dole of the Dole pineapple company. The reason for the loan was to revive the damaged economy and buy popularity with the unemployed (there had been a big crash in New York in 1893).



3100 Hawaii. Republic. **$1000.** Act of June 13, 1896. CS, green. **Specimen. VF,** POC. ***($1500-2500)***

Hawaii became a republic in 1894, when the United States under Grover Cleveland refused to annex it in the face of the opposition of a majority of its inhabitants. Its acquisition was delayed until 1898.

3107 **MS.** State. Planter's Bank Bond. **$1000.** Cr.33D. Series E. **F-VF,** chinks and splits. [2] ***($250-500)***

The Planters Bank Bonds were issued as follows. Four series A-D, of 125 bonds each. Three series E, F, G. $500,000 each for a total of $2 million. A duplicate bond was added to allow the payment of interest either in New York City or in Europe. The bonds were repudiated after the bank failed. The Mississippi Supreme Court has declared that the statute of limitations for payment expired a couple of years ago. Someone has been buying these bonds for $600 apiece since then.

3108 **MS.** State. Union Bank Bond. 5% CU bond. Cr.38A. **VF,** edge chinks and splits. ***($300-600)***

These bonds were sold in 1838 to Nicholas Biddle of the Bank of the US. Subsequently, the bank defaulted on the interest payment and the state did likewise. Various illegalities were pleaded but the only serious obstacle, as with the Planter's Bank bonds, was the voters' indisposition to tax themselves to pay off bonds whose proceeds had been distributed to a small coterie of impecunious debtors. After the repudiation was made final, these bonds were still being purchased at $750 each.

U. S. Fractional Currency

3145 3 Cents. Fr.1226. VF. An unusual error for Fractional - the back is reasonably well centered, but the face is blatantly off center to the left, with a significant part of the next note showing to the right. First issue notes are often seen like this (and, of course, current Small Size notes), but **Third Issue Fractionals are rare with this error.** ***($125-175)***

3146 5 Cents. Fr.1228. Perforated Edges. Choice Uncirculated. A bright note, with nice full perforations all around. A gem if the centering were a bit better. ***($200-250)***

3147 5 Cents. Fr.1232. UNCUT Horizontal Strip of 3. AU, folded between the notes, and trimmed into the design across the top. An interesting "15 Cent" note from the period when merchants could obtain full sheets from the Treasury and cut them up for change as needed. ***($100-150)***

3148 25 Cents. Fr.1301. Choice Uncirculated. Tight at the right, but otherwise a beautiful example. ***($50-75)***

3149 50 Cents. Fr.1312. Perforated Edges. Choice Uncirculated. Gem but for the centering and a short counting pinch of no consequence. Fully bright, with the perforations nearly full all around. ***($250-325)***

3150 50 Cents. Fr.1328. Autographed Signatures of Colby and Spinner. Choice Uncirculated. The margins are not full, but the embossing is deep and original, and the bold pen signatures have not eroded the paper as on so many. ***($300-400)***

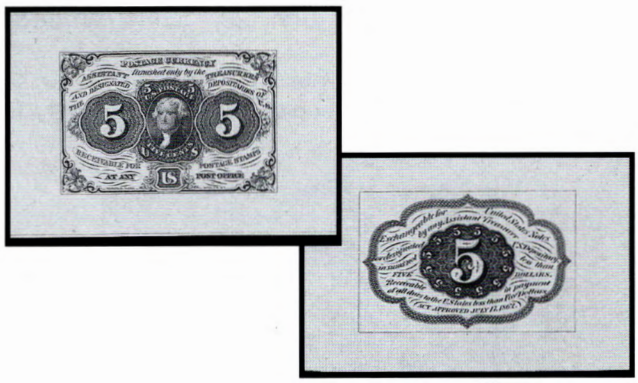
3151 50 Cents. Fr.1355. Autographed signatures of Colby and Spinner. Choice Uncirculated, with claims to gem. The margins are acceptable for this notoriously tightly margined issued, the bronze is bright, and the embossing strong. Justice notes have all but dried up in the market place. ***($400-500)***

3152 50 Cents. Fr.1357. S-2-6-4, Autographed Signatures. VF, or a trifle nicer. The only available S-2-6-4 variety. Bright and problem-free, with decent margins for the issue. ***($300-400)***

3153 50 Cents. Fr.1370. Green back, fiber paper. A particularly nice **AU.** This pretty and very scarce note picked up a light fold somewhere along the line, but it is otherwise a fantastic note. Fresh and crisp, with bright bronze and paper, and truly incredible margins for a Justice note. Far more attractive than most of the few Uncirculated notes we've encountered. ***($500-700)***

3154 Circulated Fractional Group: Fr.1226, 1244, 1257, 1259, 1294, 1301, 1303, 1307, 1309, 1374, 1381. The Lincoln is Fine, the Crawford Uncirculated, and the 1259 and 1303 are what used to be sold as "brown seals," both Uncirculated, with dark tape mounting stains in the top border. The rest range from Fine to EF. Some have close borders. [11] ***($100-200)***

Superb Postage Currency Specimen Pair



3155 5 Cents. Fr.1231-SP Wide Margin Specimen Pair. Gem Uncirculated. In an age where "Gem" is so overused it's difficult to adequately describe a beautiful pair like this. Broad, absolutely even margins, with nicely matched paper on the two pieces. [2] ***($800-1,000)***

So often on these First Issue pairs the margins are not even, the two pieces are not well matched, or they are trimmed a bit on one or more sides to eliminate minor problems. This pair is beautifully free of such distractions, and make one of the nicest pairs imaginable.

3156 10 Cents. Fr.1243-SP. Wide Margin Specimen Pair. Gem Uncirculated. Another nicely matched pair, with just a couple of tiny bits of black offset smudging on the back of the face. Both are otherwise superb, and like the last, are nicely matched. Given the fragility of the soft white paper used for the 10 Cent and 50 Cent specimens (vs. the heavy orange straw paper used for the 5 Cent and 50 Cent specimens), it's amazing any have survived in this splendid a condition. [2]
($500-750)

3157 15 Cents. Grant & Sherman. Fr.1276-SP Narrow Margin Face and Red Back Pair. Choice and Gem Uncirculated respectively. The face is from a shield (as usual), but particularly nice, with practically no trace of shield mounting, and margins clear of the engraving all around (very rarely seen this way). The back is exceptional, and is a trimmed down Wide Margin, not a shield salvage note. [2] ***($500-750)***

Autographed Experimental Note

3158 25 Cents. Face Experimental Piece autographed by John Burke (Treasurer of the U.S., 1913-1921). Milton #2E25F.3g. **Gem Uncirculated.** A common Experimental in general, but extremely rare autographed. ***($250-350)***

Burke seems to have autographed a fairly large size collection of U.S. Paper Money, both Large Size and Fractional Currency, but they don't appear too often.

3165 Dealer Lot of Circulated MPCs, AMCs, etc. Includes 24 MPCs of various issues and denominations, plus 140+ AMCs including Marks, Lira, Francs, etc. Mostly common issues, but the 500 and 1,000 Lire notes are included. Military Payment Certificate Collector Reprints

The following lots are modern privately made reprints of U.S. Military Payment Certificates. Permission was obtained from the U.S. Government to make these reprints, including whole notes, sheets, specimen books, and color separation prints. The full story can be found in the May, 2002 issue of the **Bank Note Reporter.** Sets (and some sheets) were sold to the public, but the following lots include the separations, specimen books, etc., and once these are sold they will not be available again except in the secondary collector market.

The notes were made by Dr. Carlson Chambliss, a noted collector, author and specialist in the MPC area, and he advises that regardless of future demand no more will be printed, and there are no inventories being held back for investment or to satisfy future demand. Regardless of one's feelings about reprints, the color fidelity on these notes is quite extraordinary, given their complexity, and the quality overall is excellent. Each of the fully printed notes bears the word **COPY,** to conform with laws regarding collector reprints. Many of these designs will never be within the reach of collectors of modest means, and this is a fine opportunity of allowing as many as possible to be exposed to the beautiful designs on these notes.

For those who have not had the opportunity to examine it, Dr. Chambliss' book **U.S. Paper Money Guide and Handbook** is a thoroughly enjoyable and informative reference from both the historical and numismatic standpoints, and covers all areas of American paper money.

Process Color Proofs

Process color proofs in magenta, cyan (blue), yellow and black were prepared for all of the replicas. These resemble the progressive proofs that were printed for the real MPCs. According to authority Fred Schwan, only one full set of Series 661 progressive proofs and a couple of sets of Series 641 proofs are known to be in private hands. For the authentic replicas only twelve sets of sheets and about 20 to 40 examples in cut form for each variety of most series were produced.

3166 Full set of 856 color proofs plus a set of 214 different uniface notes in full color. All of the ambiguous or lightly printed proofs are identified in pencil on their backs. These are contained in two bulging stockbooks. Less than 20 such sets can be assembled. [1070] ***($500-Up)***

3167 A complete set of 214 process color proofs in magenta. As before, all of the ambiguous notes are identified in pencil on the backs. [214] ***($125-Up)***

3168 A complete set of 214 process color proofs in cyan (blue) plus 46 additional notes in either yellow or black. The latter are included in all cases where the cyan print is very light, as sometimes is the case. [260] ***($150-Up)***

3169 *Series 681.* A complete set of color process proofs in uncut pairs, plus a set of the regular notes, also in uncut pairs. [72 pairs] ***($100-Up)***

3170 *Series 691,* Second Printing. A complete set of color process proofs in pairs of this unissued series, plus a set of the normal notes, also in uncut pairs; Series 701. A complete set of color process proofs in uncut pairs of this unissued series, plus a set of the normal notes, also in uncut pairs. [100] ***($100-Up)***

Specimen Booklets

Only about a dozen specimen booklets are known to be in private hands for actual issued MPCs. Half of these are Series 461, the only series that can be regarded as collectible in this form. These booklets resemble fairly closely those of the earlier series of real MPCs except that the notes inside are hand stamped SPECIMEN rather than having this word punched. A total of 100 serially numbered sets, consisting of 16 different booklets, have been produced. All series except for 461, 471, and 472 were printed in quantities of greater than one note per sheet, and for these an additional 100 sets of booklets having different covers from the previous were produced.

3171 Set of 16 MPC replica specimen booklets, each serially numbered 005. [16 booklets] ***($125-Up)***

3172 Set of 16 MPC replica specimen booklets, each serially numbered 022. [16 booklets] ***($125-Up)***

3173 Set of 13 MPC specimen booklets marked auxiliary and each serially numbered X051. [13 booklets] ***($100-Up)***

Uniface Sets

These are full-color uniface sets consisting of 107 different face designs and 107 different backs. Each set is serially numbered and indexed on its unprinted side. Only 100 of these sets have been produced.

3174 Set of 214 different uniface notes, each serially numbered 005. [214] ***($100-Up)***

3175 Set of 214 different uniface notes, each serially numbered 022. [214] ***($100-Up)***

Uncut Uniface Proof Sheets

Although more than 300 sets of sheets printed on both sides were left uncut, only very limited numbers of uniface sheets have been produced. There are only eight sets of uniface notes in normal colors, and twelve sheets each of the 24 varieties of process color proofs.

Each of the following lots consists of six sheets: ***1-2)*** Fractional denominations, separate face and back sheets; ***3-4)*** $1 and short $5, separate face and back sheets; ***5-6)*** Large Size notes, separate face and back sheets. These sheets measure 28 x 40 inches, and contain 100, 70, and 56 notes respectively.

3176 Set of six uniface sheets in normal printed colors. Very scarce, since only eight sets of sheets were left in this form. [6 sheets] ***($300-Up)***

3177 Set of six uniface process color proof sheets in magenta. Only twelve sets of these sheets were left uncut. [6 sheets] ***($200-Up)***

3178 Set of six uniface process color proof sheets in cyan (blue). Only twelve sets of these sheets were left uncut. [6 sheets] ***($200-Up)***

3179 Set of six uniface process color proofs sheets in yellow. Some of the impressions appear very light, since yellow was mostly used for shading only. As before, only twelve sets of these sheets were left uncut. [6 sheets] ***($150-Up)***

3180 Set of six uniface process color proof sheets in black. The color black was mostly used to darken the impressions on some of the notes, and so most of the impressions in this color appear to be printed in light gray. As before, only twelve sets of these sheets were left uncut. [6 sheets] ***($150-Up)***

The equestrian statue at the center is that of George IV, who made himself popular (with some help from Sir Walter Scott) in Scotland by being the first British King to visit that country in a century. This use of the King's portrait strongly suggests the date of preparation for this set of notes to be 1820 to 1822.

David D. Buick (1854-1929), was a Scottish-American inventor and automobile manufacturer. The rapid rise of the Buick Motor Company to fame and glory, and the spectacular misadventures which led its founder, David Dunbar Buick, to poverty and obscurity, is indeed one of the bitterest ironies in the history of the automobile industry.

3622 Direct-Drive Motor (DE) 1917. #538. **7 shs.** Green. Beautiful touring car with passengers overlooks small town. **VF.*** ***($300-500)***

Organized in Philadelphia and active between 1919-1924, the company built automobiles in Pottstown, Pennsylvania, and sold them under the name ``Champion''. The name Direct-Drive derived from the drive system which consisted of groove rings on rear wheels meshed with groove pulleys on each end of a jackshaft. This example is perhaps the finest known.

Richard Allen was the Founder and First Bishop of the first Protestant Church born on American soil. In 1787, Allen organized the Church ``as Eternal Protest Against Segregation and to Teach the Negro to Think, Speak, and Act for Himself.'' The money raised through the sale of these bonds was to be used to renovate the Church as a homecoming gift to the returning World War I ``Soldier Boys and Girls''. First we have seen, and perhaps unique. All African American related stocks are rare.

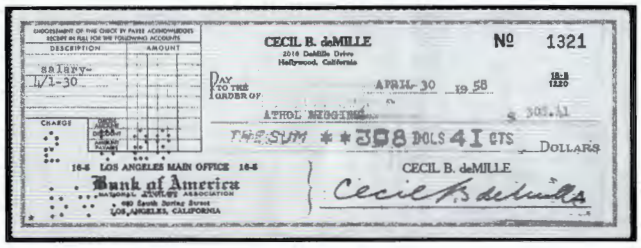
3635 Chaplin Studios (CA) 1930. #23. **One share.** Green. California state arms. Signed by **Alfred Reeves** as president. ***($2,000-3,000)***

Alfred Reeves (1876-1946) was the son of a lion tamer who lost an arm to the animals. Reeves worked in the circus and in management for Fred Karno. He managed Karno's US tours beginning in 1905. He chose Charlie Chaplin for the 1910 tour. Only 10 certificates signed by Chaplin were found in the original stock book, and a total of only 17 certificates were fully issued, and each is an important rarity. Chaplin Studios was formed in 1917. Over the following two decades, Chaplin Studios shot some of Charlie's best films, including The Tramp and The Gold Rush. In 1928 Chaplin formed United Artists, which he founded with Douglas Fairbanks, D.W. Griffith, and Mary Pickford. He continued to run Chaplin Studios, producing City Lights (1931), Modern Times (1936), and the Great Dictator (1939). In 1953, Joseph McCarthy labeled Chaplin a communist, and forced Chaplin to leave the US. Chaplin Studios was sold to CBS, and was used to produce the Superman and Perry Mason TV shows. Later the studios became home to the Muppets (Henson Productions).

3636 Coca-Cola (NY) 1929. #1478. **6 shs.** Certificate of Purchase Class "A" Stock. Ornate blue border. World famous script logo. **VF+.** ***($750-1,250)***

In the spring of 1886, Dr. John S. Pemberton, a pharmacist, used a brass kettle, a percolator, some apothecary scales and other assorted paraphernalia to make a batch of soft drink syrup. In the first year he sold twenty-five gallons and took in $50; he spent $46 on advertising. The rest is history. Frank M. Robinson, an early partner, suggested the name and the script style for the title.



3637 Cecil B. deMille Check signed **Cecil B. deMille**. Oblong narrow 8vo. Drawn on the Bank of America, Los Angeles. Issued to Athol Wiggins for $308.41. **VF+.** ***($200-300)***

Cecil B. deMille (1881-1959) was a motion-picture director and producer. In 1913 he joined with Jesse Laskey and Samuel Goldwyn to produce motion pictures in Hollywood. His first film, The Squaw Man, was made that year, and it contributed to the establishment of film as a serious narrative and dramatic medium. DeMille made several innovations, including publicizing the leading players. He produced many films, including Cleopatra (1934), The Plainsman (1936), The Buccaneer (1937), Reap the Wild Wind (1941), The Greatest Show on Earth (1952) and The Ten Commandments (1956). See also Desi-Lu Productions in the General Stock and Bond Section. Also included is a multi-page brochure of Paramount movies.

The principal business of this company was to buy and sell real estate, hardware, farm products, fuel and other provisions. There are relatively few documented examples of African Americans organizing corporations in the 1920's (Marcus Garvey is a notable exception, well known to the field of scripophily). All African-American related shares are rare, especially from Southern states. This is the first we have seen of this example, and the only pre-modern-era stock certificate we know of that has an illustration of an African American woman (on the verso) who is not a field hand.

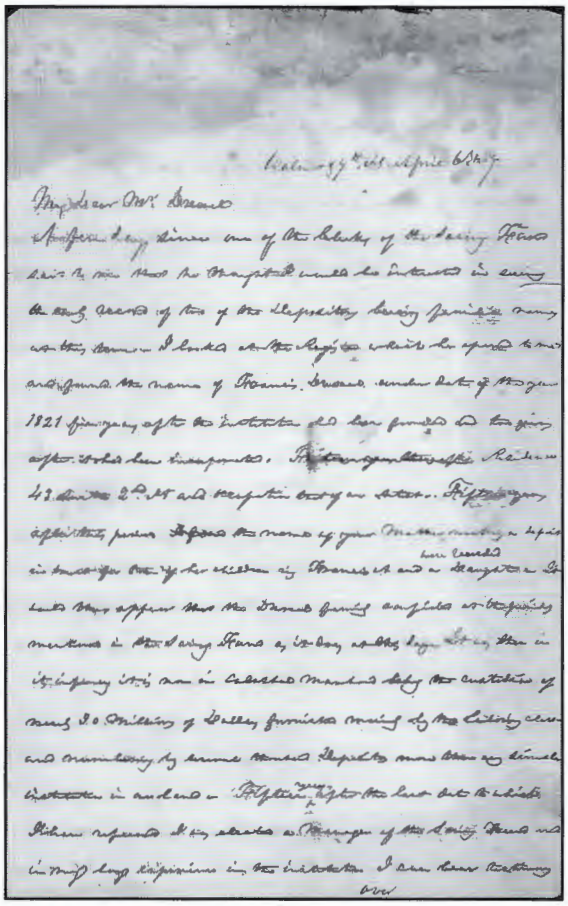
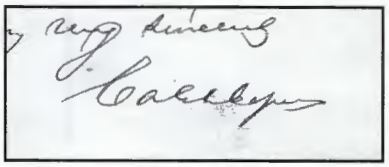
Former Director of the Second Bank of the United States Shares His Memories of Nicholas Biddle





3640 CALEB COPE ***($500-750)***

Former Director of the Bank of the United States. Nine page autograph letter signed *Caleb Cope,* April 6, 1887 on unruled paper 6" x 9 1/2".To Anthony Drexel of Drexel & Co., Bankers, Philadelphia. Caleb Cope was a former director of the Second Bank of the United States. This letter regards many of his memories as Director of the Bank of the United States with anecdotes of Nicholas Biddle. One passage reads "*...Mr. Biddle was among the most conscientious gentleman at the head of the Banking institutions in the day. As Prest. of the United States Bank he wielded great power and in the opinion of many men in all parts of the U. States he was regarded as almost superhuman. He had been educated for the legal profession but was never engaged in general practice. He was a man of elegant carriage, highly accomplished, of brilliant intellect and courteous manners, but he was a poor banker"* The letter continues with many anecdotes of Mr. Biddle and the Bank. Light damp staining at the top of each sheet. Overall **VG.** Also included is an autograph letter signed *A. Drexel*, April 7, 1887 addressed to Caleb Cope. Letter reads in part "I have received your most interesting communication, and I have read it over carefully with the greatest interest. It gives me a new light on bygone affairs, particularly those of the Bank of the United States and Mr. Biddle. I cannot consent to follow your directions to commit this valuable paper to the flames, but I will keep it for its own value and as a souvenir of a gentleman, for whom I entertain in the highest regard." Also damp stained across the top, **VG.**

($20,000-30,000)

The history of this corporation, one of six set up before the Revolution, is as follows. In 1682, shortly after William Penn was granted the proprietorship of Pennsylvania by Charles II, Penn decided that in order to make his new property more profitable, it would be desirable to charter a company to promote its economic development. Accordingly, in March 1682, Penn chartered this company with a capital of 75,400. Each share was to cost 50 Pounds, and voting for directors was to be apportioned at a rate of one vote per share up to 100, after which those with 300 or more were to have no more than 3 votes (this limitation was to prevent speculators from gaining control of the corporation). It was also provided that the company would be domiciled in Philadelphia and not in Britain after the initial election of officers. This was done with a view of making sure that most of the shareholders would be living in Pennsylvania and would therefore be better able to keep an eye on the firm's affairs.

The stockholders were also empowered to elect three members of the Pennsylvania Assembly and to own the manor of Frank. With at least 5000 of stock taken by the middle of 1682, operations began with Nicholas More as President and James Claypoole as Treasurer. A parcel of 400 acres was bought in Philadelphia between the Delaware and Schuylkill Rivers. In addition, money was invested in a tannery, a grist mill, a saw-mill and a glass factory. Considerable paper profits were realized on the sale of imported goods. Unfortunately, the firm was laxly run by More, who was charged with favoritism and even embezzlement. He was compelled to resign in 1684, but by that time the corporate affairs were in serious disorder. Money had been lent to various parties who were unable or unwilling to repay what they owed on loans or purchased goods. Evidently, there was a considerable indisposition to resort to litigation to recover these funds so that far from promoting manufactures in Pennsylvania, the company became the mere operator of a landed estate. It was put into liquidation and the remaining assets distributed in early 1721/1722.

This piece is significant for several reasons. First, it is only the second piece to date that we have seen or heard of from this corporation. Second, only six business corporations, as noted earlier, received charters in America from 1675 to 1772. These included the New York Company "for settling a Fishery in these parts"; the Free Society (1682), the New London Society United for Trade and Commerce in Connecticut (1732), the Union Wharf Company of New Haven (1760), and the Proprietors of Boston Pier ("Long Wharf") in 1772. The reason for this paucity of charters lay in the shortage of capital in the American colonies and in the scandals connected with the Massachusetts Silver and Land Banks in the early 1740s. Parliament, in reaction to the irregularities involved, proceeded to extend the so-called "Bubble Act" (passed after the South Seas Company Bubble scandal in 1720-1722 in Britain).

This law prohibited the incorporation of any company on this side of the Atlantic without Parliamentary approval, which was obviously very difficult to get. This is a key piece for the collector of early American chartered corporations up to 1800. The consignor reports that only two certificates were found at a local auction in Pennsylvania. We offered the first certificate, in slightly better condition, in our March 2002 Strasburg auction where it realized $39,600 including the buyer's premium.

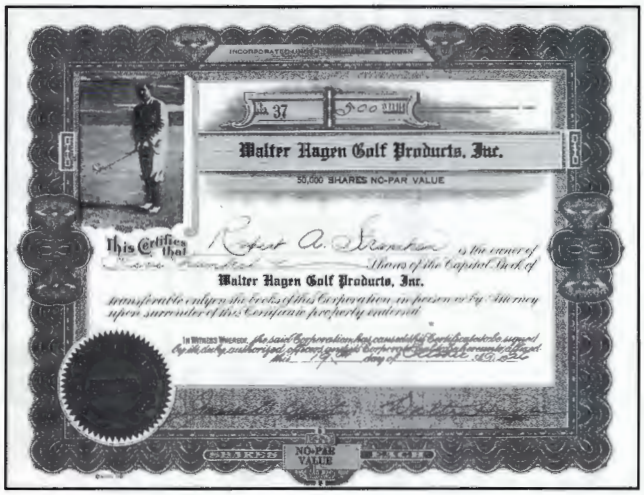
Walt Disney (1901-1966) was trained as an artist at the Academy of Fine Arts in Chicago. He founded the Disney Brothers Studios in 1923. His first production in 1928 was Steamboat Willie (who became Mickey Mouse). His first movie Snow White appeared in 1937. In 1953, Walt Disney decided to build Disneyland, patterned after the Tivoli Gardens in Copenhagen. His brother Roy determined that the shareholders of the Disney Company would not want to back such a speculative venture.

Walt then created a new corporation to build Disneyland, Walt Disney, Inc. He personally funded 2/3 of Walt Disney, Inc. by borrowing on his life insurance and selling his vacation home in Palm Springs. He then sold 1/3 of Disney Inc. to ABC for $500,000 plus a loan guarantee of $4.5 million. ABC also got the TV rights to the Disneyland show, soon to be renamed the Mickey Mouse Club show. ABC later sold 1/3 of Disney, Inc. back to Walt. Shortly after opening Disneyland, Walt sold attractively priced shares to his family in one 1955 capitalization. With the success of Disneyland, Walt Disney Inc. was merged into the Disney Company prior to its New York Stock Exchange listing in 1957.

According to Scott Winslow, there were only 20 certificates in the original stock book. Nine were unissued, and six were signed by Disney as president. Walt Disney is probably the most recognizable name in American business history. He took a few dollars and a pencil, and turned them into one of America's most successful corporations, entertaining millions of people around the world in the process. No great collection of American scripophily would be complete without this extraordinary certificate.



3654 Walter Hagen Golf Products (MI) 1926. #37. **500 shs.** Blue. Photo vignette of Walter Hagen swinging a golf club. Signed by **Walter Hagen** as president. **VF+.*** ***($2,500-3,500)***

Walter Hagen (1892-1969) is best remembered as golf's most flamboyant character. He was also responsible for the modernization of the sport. Hagen burst onto the scene in 1914, and went on to win four Opens, 2 US Opens and 5 US PGA Championships. He also played on the first five US teams in the biennial Ryder Cup. Hagen was the first golfer to earn more than a million dollars. He "never wanted to be a millionaire, just to live like one." He was the first golfer to recognize the commercial opportunities of product endorsement. He was paid $500 per year for every club he carried, so instead of the regular 14 in his bag he carried 22. At the height of his popularity he charged considerable appearance fees for exhibition matches. As a professional, he charged $40 per session.

Hagen also popularized sporting clothes on the golf course. While other players were wearing brown and grey suits, he came colorfully dressed wearing two-tone shoes. Despite the peculiarities of his character, there was a serious side to what he was doing. During his time professionals were considered the bottom rung of the golf pecking order, especially in Britain. Golf professionals were not allowed to use the facilities of the clubhouse and were often prohibited from using the front door. This mirrored a much wider division of men in a society based on class.

As an American, Hagen would not stand for this. Once, to highlight the stupidity of the situation, Hagen hired a Rolls Royce and a footman and set himself up outside the club entrance. He used the Rolls Royce as a changing room, because he was prohibited from entering the clubhouse. On another occasion, he refused to enter the clubhouse to accept prizes, because he had been refused entry earlier. No other golfer did more to embarrass the golf establishment into elevating professionals to the status which their talents deserved. Hagen's success is a testament to his prowess as a golfer. He was not given to any preparation. As a player, his form was either superb or terrible. He was known as the master of the recovery shot. Hagen also used psychology in order to intimidate any weakness in his opponent. He would often gather opponents around to watch him sink difficult putts, and then let them know he was going to win the game. Hagen's place in golf history is much larger than his record of wins. His character also brought to the game a spirit of fun, and he opened golf to a wider audience. Golfers everywhere are indebted to Hagen.

No railroad was more controversial than the Erie. It became involved in a tug of war between Commodore Vanderbilt, John S. Eldridge of the Boston, Hartford and Erie, and Daniel Drew, Jim Fisk and Jay Gould. The Commodore tried to corner the stock and push it up. Drew, Fisk and Gould secretly conspired to pillage the Erie and shorted the stock. Albany legislators were tampered with, judges corrupted, and in the end a stalemate prevailed. Gould eventually got control, rehabilitated the railroad, and made it profitable. A similar pass, but in better condition, realized $14,850 including buyer's premium as part of the Charles Leeds collection in sale 217 last November.

($300-500)

In 1899-1900, a Chinese nationalist uprising took place against foreigners, the representatives of alien powers, and Chinese Christians. The ultimate objective of the uprising was the expulsion of all foreigners from China. The name "Boxers" (Yi He Quan) refers to "The Society of the Righteous and Harmonious Fist," or "righteous harmony band." In 1899 the Boxers, a secret society of Chinese, began a campaign of terror against Christian missionaries in the northeastern provinces.

By the terms of the treaty the Chinese were required to pay, over a period of 40 years, an indemnity of $333 million. The main purpose of this French loan, floated by the Societe Francaise de Gerance de la Banque Industrielle de Chine, after the failure of the Banque Industrielle de Chine, was the reorganization of the French Boxer Indemnities. Additionally, the loan was to help Sino-French philanthropic and educational programs.

The Great Crinnis mine extended over a surface of about one hundred acres. The mine was situated in the mining district of St. Austell, Cornwall, surrounded by several other mine.

From 1808-1828, £1,400,00 worth of copper ore was extracted from only a very small portion of the central lode. Work in the mine was discontinued in 1828, and not resumed, due to various causes, principally owing to proceedings in the Court of Chancery.

Interest fact: The certificates are all signed by **Richard C Manuel,** secretary of the Great Crinnis. He disappeared to Australia in June 1857, leaving the company's books in "a state of utter confusion." A new secretary was appointed; however, the company went into liquidation in 1858.

HOW TO GET THE BEST RESULTS WHEN BIDDING IN A MAIL BID SALE

Bidding in mail bid auctions can sometimes be a real challenge, but mail bid auctions are real opportunities for collectors to acquire items that may be hard to obtain any other way. Experience has taught us ways to minimize frustrations, and maximize results, and we would like to share some of those ideas with you. Here are the questions we are asked most often and some of the suggestions we have made to bidders. We think they will save you time, money and help you win lots you might otherwise miss.

■ *"I can't come to your office to view lots, but I want to know more about a particular lot before I bid on it."*

Lots are available at the times and places posted in the front of the catalogue. We often bring lots to conventions, and there is no better way to learn about numismatics or scripophily than to attend a convention, view auction lots, and talk to dealers and collectors. But if you can't be there, here is how we can help you get a better idea of what you are bidding on:

1) **Call us, and we will be happy to have one of our experts describe any lot you ask about.**

2) **We can arrange to copy most items and we will FAX or mail the copies to you at a nominal charge.**

3) **If you have established credit with us we may be able to ship lots to you for direct viewing.**

Please realize that requests for phone assistance, for copies or for shipping lots directly to you **must be arranged well in advance of the closing date of the sale.**

■ *"I have a limited budget and although there are many items I would like to bid on, I am afraid of exceeding my budget."*

There is an easy way to solve this problem. It is called **a "limit" bid sheet.** Let's look at an example. Mr. Smith collects Confederate notes and he sees that there are over thirty lots he would like to buy. His budget is $1,000, but the estimates on the thirty lots he likes add up to well over $5,000. If he bids on all thirty he might win them all and exceed his budget. To be safe, he bids on only ten, and he wins only one lot for a $100. Mr. Smith is disappointed because he missed the chance to bid on all thirty lots. **He could have bid safely on all thirty lots and increased his chances of improving his collection by submitting a "limit" bid sheet.** Here is how it works.

Mr. Jones has the same collecting interests as Mr. Smith. He has the same $1,000 budget. Mr. Jones bids on **all thirty lots** he is interested in. He writes at the bottom of his bid sheet **"Please limit my total bids to $1,000."** Every time Mr. Jones wins a lot we keep track of his total spending. When the total reaches $1,000 we will stop applying his bids. We did what he would have done had he been at a live auction. We spent only what he budgeted for.

■ *"I see that there are two similar lots in the sale. I want only one of them, not both of them."*

This problem can be solved with an **"OR"** bid. Let's assume that Lot #101 and Lot #102 are identical. You wish to bid $200 on either one, but you don't want both. Write the following on your bid sheet and you can accomplish your goal:

"#101 OR #102 at $200"

If you win Lot #101 we will cancel your bid on #102.

"What if there are three similar lots and I only want one?"

"#101 OR #102 OR #103 at $200" will work perfectly.

■ *"When I don't win a lot I often seem to loose it by just a few dollars. It almost looks as if someone knows what I am bidding and they bid a little more. What is going on?"*

Every auction house has its own way of closing a mail bid sale. Some houses will tell bidders exactly how much the highest bid is at any given moment right up until the end of the sale. We feel this is unfair, because anyone who is able to get through by phone near the end of the sale can top anyone else. If auctions are closed in this manner clients who are "friends of the house" have a distinct advantage and can top other bidders at the end. Those who bid early are at a disadvantage. To eliminate this problem **we don't give out information on what the highest bid is.** We advise bidders to bid exactly as much as they are willing to spend on a lot, and where possible, if they win a lot we reduce their bids to an increment just above the next highest bidder (there are exceptions—please see the Terms of Sale).

We think this method is fair to everyone involved, but it does result in bidders sometimes losing lots by $1, or $5 at times. If Mr. Jones bids $100 on an item and Mr. Smith bids $101, we have no choice but to award the lot to Mr. Smith for $101.

■ *"I bid $30 on a lot that was estimated at $100 and I didn't get the lot. Later, when I got the Prices Realized the lot was reported as unsold. Why didn't I get the lot?"*

The Terms of Sale state that bids less than 60% of the estimate will not be accepted. As auctioneers, we have a responsibility to the consignors as well as the bidders. Any bid that is considered to be less than the "...regular market value..." of the item may be rejected by the auction house. Keep this in mind when making bids below the estimates given.
